- *Lining in dyed Dupion silk 115 x 40cm (45 ½ x 15 ¾ ins); inkle braid woven in Ashford 100% Unmercerized Cotton #952 Rust 75cm (30ins)*

NEEDLES AND TOOLS

- *Loom – Knitters loom 50cm/20ins*
- *Reed – 12.5 dpi (20/10cm)*

WORKING PATTERN

Total warp ends: 204
Total warp length: 1.5m (5ft)
Finished width: 38cm (15ins)
Finished length: 114cm (45ins)

WARPING

Warp the reed in the unmercerized cotton.

WEAVE STRUCTURE

Plain weave

WEAVING

With the cotton doubled, weave a 12mm (1/2 in) seam allowance. Weave the fabric alternating one pick of the silk strips and one pick of the single cotton. Beat well between each row. Cut the ends of the silk strips on the diagonal (see top diagram) to eliminate bulk when adding new strips. Continue weaving until the length is three times the width after making an allowance for shrinkage, take-up and seams. Finish with a 12mm (1/2 in) seam allowance in the doubled cotton.

FINISHING

Remove from the loom and secure the ends with a zigzag stitch. Hand wash in warm water and a little liquid soap and lay flat to dry. When still a little damp cover with a soft cotton cloth and press with a warm iron. If lining the bag, sew lining to fabric right sides together allowing a 1cm (1/2 in) seam allowance. Turn in the right way and sew seam together. To assemble the bag fold and sew the fabric as shown in the diagram A to A and B to B. Pull up the corners at C to make the bag. Attach inkle braid at corners for handle.

TENSION

16 sts by 25 rows in St st worked in the round, blocked to 10cm

GETTING STARTED

These simple baby booties are knit from the toe up and use a short row heel created by either Wrap & Turn or Twin Stitches, directions for both are included.
The pattern on the leg is made by repeating a series of knit and purled rounds.

Wrap and Turn, Knit (W&T)
Bring yarn to front, slip the next st Pwise, bring yarn to the back, return the slipped st to its original position on the left needle. Turn your work. **Note: This creates a clockwise wrap for knit stitches.)**

Wrap and Turn, Purl (W&T)
Bring yarn to back, slip the next st Pwise, bring yarn to the front, return the slipped st to its original position on the left needle. Turn your work. (Note that this creates a counterclockwise wrap for purled stitches.) When knitting or purling a wrapped stitch, PU the wrap so that it sits alongside the stitch it wrapped and work both strands of yarn together as one stitch.

Twin Stitch, Knit (TK)
Insert the right needle from front to back into the back of the st below the next st on the left needle. Without removing the st on the left needle, knit the lower st and place this new st on the left needle. The st on the left needle should now have two strands of yarn, making it a twin st. Ensure that your new st is not twisted and keep yarn snug when turning.

Twin Stitch, Purl (TP)
Insert the right needle from back to front into the st below the next st on the left needle. Without removing the st on the left needle, purl the lower st and place this new st on the left needle. The st on the left needle should now have two strands of yarn, making it a twin st. Ensure that your new st is not twisted and keep yarn snug when turning.
When knitting or purling a twin stitch, work both strands of yarn together as one stitch.

WORKING PATTERN

TOE

Cast on 8 (10, 12, 14, 16) sts using a Figure Eight cast on, with half of the sts on each of two needles.

Round 1: Using the working yarn (not the tail), knit one round, placing a marker after 4 (5, 6, 7, 8) sts to mark centre of round. If using DPNs, use this opportunity to work in the third needle. The needles should have 2 (2, 3, 3, 4), 2 (3, 3, 4, 4) and 4 (5, 6, 7, 8) sts, respectively. The space between the second and third needles will be called the centre of the round.
Round 2: (Kfb, K until two sts before centre of round, Kfb, K) twice. 4 sts inc.
Repeat Rounds 1 and 2 once more. 16 (18, 20, 22, 24) sts.

FOOT

You may choose to mark your first round in order to making row counting easier.
Work in St st for 17 (19, 20, 22, 25) rounds. Foot should measure approximately 1.9cm less than the desired final length.

HEEL

The second half of the sts, 8 (9, 10, 11, 12), in the round will be the heel sts. With the exception of the first set up round, work only with these sts on the heel. Use either the Wrap & Turn or Twin Stitch heel directions.

Wrap & Turn Heel
Row 1: set up - K until two sts from the end of the round, W&T.
Row 2: set up - P until two sts from the centre of the round, W&T.
Row 3: K until the last unwrapped st, W&T.
Row 4: P until the last unwrapped st, W&T.
Repeat Rows 3 and 4 until 0 (1, 2, 1, 2) sts remain unwrapped in the middle. End on Row 4.
Row 5: K to the first wrapped st, PM, K until the last st in the round, W&T.
Remember to work all wrapped sts by picking up the wrap and working the wrap with its st.
Row 6: P to first wrapped st, PM, P to last heel st, W&T.

Row 7: K to second marker, remove marker, W&T.
Row 8: P to marker, remove marker, W&T.
Row 9: K to first wrapped st, K the wrapped st with its wrap, W&T.
Row 10: P to first wrapped st, P the wrapped st with its wrap, W&T.

Working outward from the middle to the edges of the heel

Repeat Rows 9 and 10 until there are two wrapped sts at each end of the heel. End on Row 10.
Row 11: K to the end of heel sts.
Proceed to Leg instructions.

TWIN STITCH HEEL

Row 1: set up - K until two sts from the end of the round, TK, turn.
Row 2: set up - P until two sts from the centre of the round, TP, turn.
Row 3: K until the last un-twinned st, TK, turn.
Row 4: P until the last un-twinned st, TP, turn.
Repeat Rows 3 and 4 until 0 (1, 2, 1, 2) sts remain un-twinned in the middle. End on Row 4.
Row 5: K to the first twinned st, PM, K until the last st in the round, TK, turn.
Remember to work all twinned sts as though the two strands of yarn form a regular, single st.
Row 6: P to first twinned st, PM, purl to last heel st, TP, turn.
Row 7: K to second marker, remove marker, TK, turn.
Row 8: P to marker, remove marker, TP, turn.
Row 9: K to first twinned st, K the twinned st, TK, turn.
Row 10: P to first twinned st, P the twinned st, TP, turn.

Working outward from the middle to the edges of the heel.
Repeat Rows 9 and 10 until there are two twinned sts at each end of the heel. End on Row 10.
Row 11: K to the end of heel sts.
Proceed to Leg instructions.

LEG

Round 1: Knit. On this round, you may choose to PU one st in the "corners" at the start and end of the heel, and K each of these with a live st. This maintains the stitch count, but closes any gaps that may have arisen during heel formation.
Rounds 2 and 3: Knit.
Rounds 4-6: Purl.
Rounds 7-9: Knit.
Repeat Rounds 4-9 1 (2, 2, 3, 3) more times.

CUFF

Next Round: (K1, P1) to end of round.
Repeat this round four more times.
Cast off, using a stretchy method.

MAKING UP

Weave in ends, wash and block lightly.

Happy Hare Hat - Multi Coloured Beanie

This hat is designed with Biggan Design leftover yarns for chemo patients, who have lost their hair during the course of chemotherapy treatment and need a beanie to keep their bald head warm and also be so soft that they can sleep in it.

The Biggan Design yarn is perfect for this purpose, as the yarn is so soft you can wear it next to the skin without feeling it at all. Many customers have bought my yarn for this reason to knit chemo beanies for friends, but now I can myself verify that it is absolutely true. I had a lot of fun and many positive comments wearing my HAPPY HARE HAT while going through the treatment and it seemed to cheer up not only me, but my surroundings as well!

YARN

- *1 ball Biggan Design DK/8ply Merino Wool in any colour – Main Colour (MC)*
- *1 Stash bag (100gm) Biggan Design yarn OR your own BD leftover yarn*

NEEDLES AND TOOLS

- *3.00 mm circular needle*
- *4.00 mm circular needle*
- *4.00 mm double-pointed needles (set of 4)*

MEASUREMENTS

To fit a medium sized adults head

SPECIAL ABBREVIATIONS

circ = circular needle
dec = decrease - (K2 tog)
inc = increase - (K2 in same st)

TENSION

22 sts and 29 rows Stocking Stitch to 10cm.

Tension is very important to follow to get the Right Size!

Design note: Before starting to knit, please read carefully through the whole pattern.

GETTING STARTED

The hat is made with BD leftover yarn tied together with 2,5 cm/1" length of yarn sticking out of the knot, once it's tied, to give the effect of hair.

If you want a lot of knots make the yarn ends you tie together no more than 20 cm (8") – 50 cm (20") long. If you want fewer knots, make the yarn ends 1 metre (40") – 2 metres (80") long.

As you tie the yarn ends together, roll them up into a ball. It's a lot of fun to do this part of tying together, adding colour after colour into a ball. This is where you add the Mc yarn wherever you feel like it.

It's useful to have one ball of MC, which you keep adding in all through the yarn ends being tied together to give it a feeling of coherency. This is not necessary, though, as you can just use leftover yarn all the way through. In the latter case you would only need a longer piece of yarn for the first 15 rows, at the beginning of beanie, as the edge will curl up. You would not want any knots in this first bit!

WORKING PATTERN

With Mc cast on 120 sts with size 3mm circ needle (40cm). Close the loop to start knitting in the round, which means that beg and end of row is where first and last sts meet. Make sure all sts are hanging down in the same direction, so edge is not twisted!

Work st.st. On rows 4, 8 &12 work 1 row contrasting colour to make a thin stripe, otherwise work in Mc. After 15 rows change to size 4mm circ needle (40cm).

Inc1 in every 4th st over row (150 sts on needle). Start to work with ball of leftover yarn.

Every time you come to a new colour, make sure that the tie is fully visible, sticking out on RS of work, so you'll get the hairy effect!

(Please NOTE! St.st is only KNIT on circ needle).

When hat measures 9 cm (3¾") dec1 every 4th st over row (120 sts on needle). When work measures12 cm (4¾") dec1 every 10th st over row. Rep this row of dec every 2nd row, but with 1 st less in between the dec, i.e every 9th, 8th, 7th, 6th st etc, until there are 10 sts remaining.

Note: When sts get hard to work on circ needle, knit them over on DPNS. Work 1 row. On next row work sts tog 2 and 2 (5 sts left on needles).

If you want to knit last 5 sts into a stem cont to knit another 3 cm (1¼") and cast off.
If not just tie the last 5 sts tog on the WS of work in a tight knot.

MAKING UP

Fasten off all loose ends.
To tie up last 5 sts, on WS thread a darning needle with yarn from last row of work and pull it through the 5 sts.
Make a secure knot.
The Happy Hare Hat is ready to enjoy!

Row 1: Miss 3 ch, 1 tr into each ch, turn.

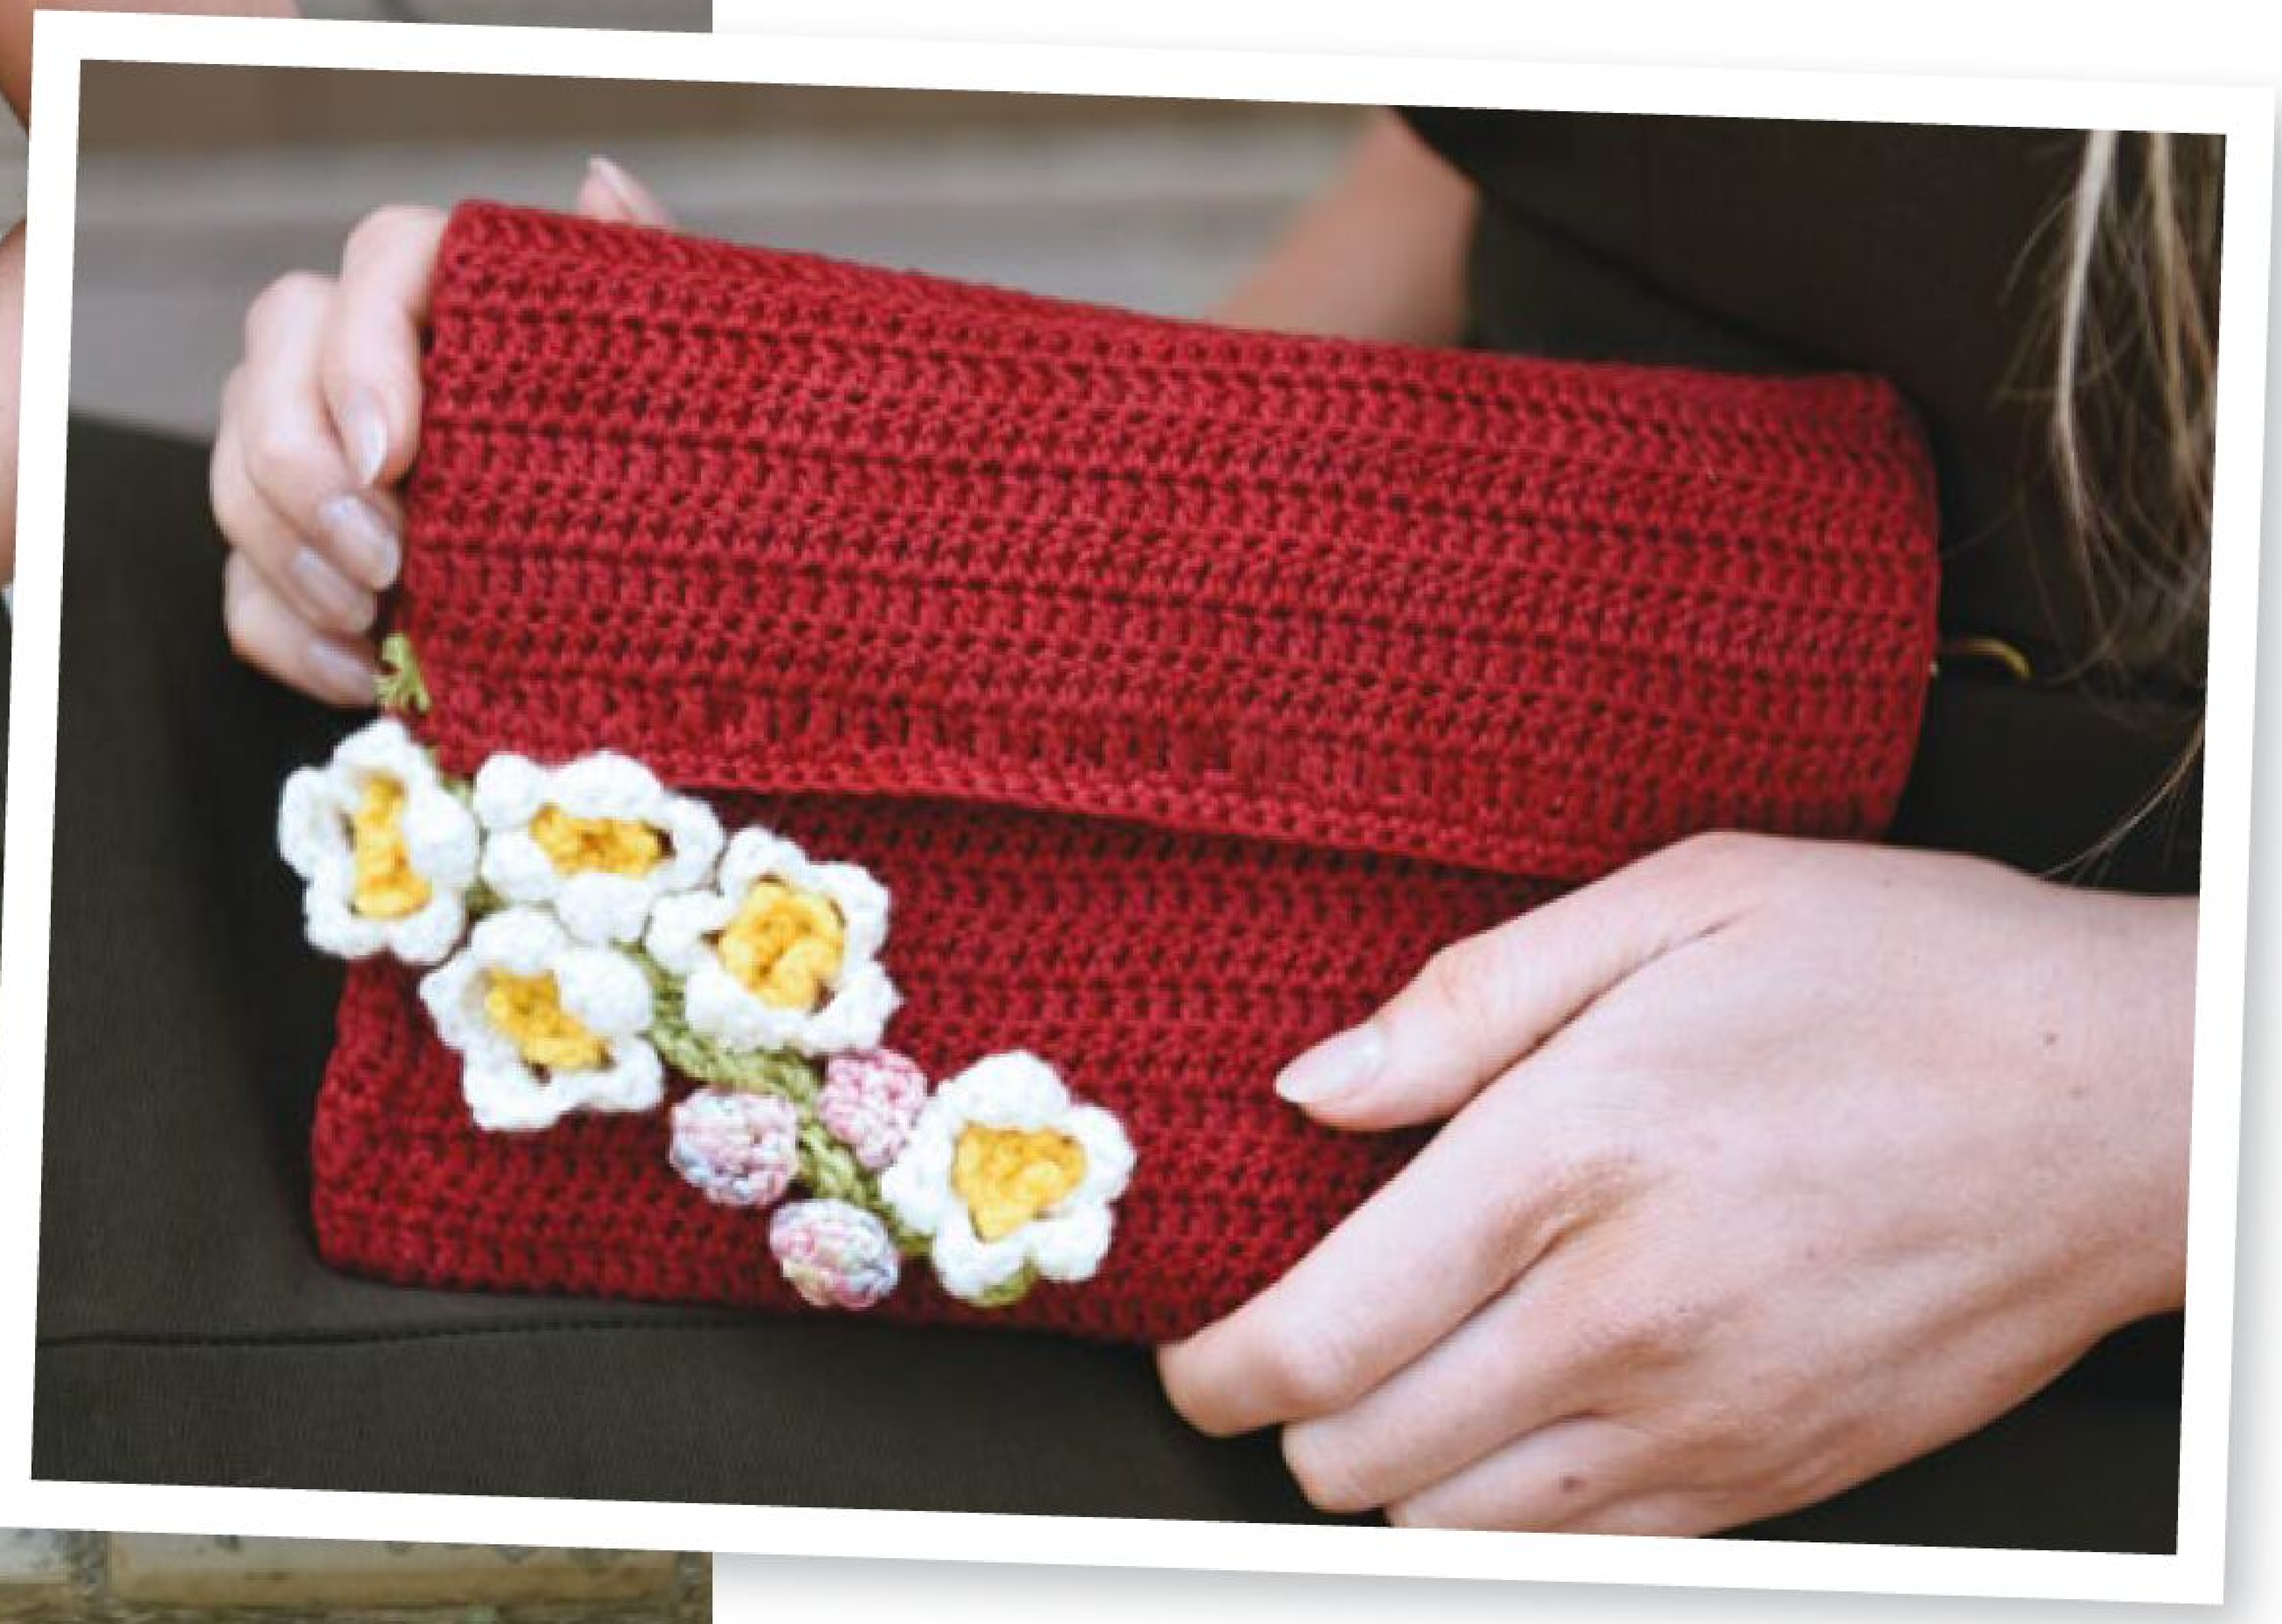
Row 2: 3 ch, 1 tr into each ch and 1 tr into turning ch.

Repeat row 2 42 times (44 rows in total).

Row 45: 1 ch, 1 dc into each tr of previous row.

Row 46: repeat row 45.

End off and sew in ends using a darning needle.



Vine With C4 work 62 ch.
Row 1: Miss 2 ch, 1 dc into each ch. End off leaving a 20 cm length of yarn.
Sew in short end with wool sewing needle.
Leave long end for stitching onto clutch.

FLOWERS – MAKE 5

With C2 work 5 ch, join with a sl st to form a circle.
Round 1: *5 ch, 1 dc into circle* repeat from * to * 4 times (5 loops in total), sl st into beg ch. End off leaving a 20 cm length of yarn.
Change to C3 Join new colour into back of dc of previous round.
Round 2: 7 ch, *1 sl st into back of dc of previous round, 7 ch*, sl st into beg ch.
Round 3: sl st into ch loop, 2 ch, 1 tr, 1 dtr, 1 tr, 1 dc into loop, *1 dc, 1 tr, 1 dtr, 1 tr, 1 dc into next ch loop*, sl st into beg ch. End off. Sew in all ends except for 20 cm end.

BERRIES - MAKE 3

Round 1: With C5 and leaving a 20 cm length of yarn work 3 ch, 6 tr into 1stch, sl st to join.
Round 2: 2 ch, 1 dc into each tr of previous round, sl st to join.
End off. Sew in other end except for 20 cm end with a wool sewing needle.

MAKING UP

The following instructions refer to the body of crocheting missus the 2 rows of dc.
Cut lining 2cm larger, cut cardboard 5mm smaller than body of crocheting.
Machine lining and crocheting with right sides facing leaving the short side with dc open. Turn through.
Place cardboard between lining and crocheting. Hand stitch opening closed stitching lining to the last row of tr (not to the last row of dc).
Turn up bottom half 13cm, pin well and machine each side (to form the clutch and leaving the flap free). Stitch magnetic clasp into place.

DECORATIONS

Twist vine tightly and fold in half allowing the crocheting to twist together. Pin vine in place starting from just under the flap and trail vine to bottom. Stitch in place with the long end of yarn.
Stitch the flowers and berries using the long end of yarn and in the following way: 1st flower just below top of vine, 2nd flower on right hand side of 1st flower, 3rd flower opposite 1st flower on other side of vine, 4th flower next to 3rd flower, berries in a bunch on both sides of vine and 5th flower snuggled next to top berry at end of vine.
Refer to photo for further placement assistance. Ensure all ends and decorations are securely stitched.

YARN

- *2 balls 100g Knit Picks Tuff Puff Sky*
- *1 hank Full Circle Roving (100% Wool): 100g, Quarry 25812 optional Pom-Pom*

NEEDLES AND TOOLS

- *12mm circular needle*
- *12mm set of 4 double pointed needles or 100cm circular for magic loop method*
- *Wool sewing needle*

MEASUREMENTS

Head circumference 48 53 58cm approximately 23cm long

TENSION

7 sts by 10.5 rows in St st in the round to 10cm

GETTING STARTED

Notes: This versatile hat works up quickly in super bulky Tuff Puff and is guaranteed to cover your head with warmth and style!
Add a pom-pom in a matching colour, or make a fake fur one using roving for a fluffy contrast.

STOCKINETTE STITCH (WORKED IN THE ROUND)

Round 1: Knit all sts.

1X1 RIBBING (WORKED IN THE ROUND)

Round 1: *K1, P1*, rep from * to end of round.
Round 2: *P1, K1*, rep from * to end of round.

WORKING PATTERN

Cast on 34 (36, 40) sts, join into a round and place marker. Tie a bit of contrasting yarn into a circle if you don't have a marker large enough for the needles.

Work 1x1 ribbing for 4 rounds.
Begin St st, and continue until hat measures 15cm from cast on edge.
Next Round: *k2tog, k2*, rep from * until end of round.
Next 2 Rounds: K all sts.
Next Round: *k2tog, k2* rep to last st, k1.
Next Round: K all sts.
Next Round: *k2tog* all sts.
Cut yarn, leaving 30cm tail. Draw through all remaining sts tightly.
Turn hat inside out so reverse stockinette st pattern is on the outside.

MAKING UP

Weave in ends and block hat if desired.

POM-POM (OPTIONAL)

Using a large pom-pom maker that is $3^{3}/_{8}$" diameter, create a pom-pom from roving for a fake-fur look, or use the leftover Tuff Puff for a matching pom. Attach to top of hat firmly and weave in ends.

GETTING STARTED CLASSIC LINES CARDIGAN

Notes: This cardigan is worked holding two strands of Alpaca Cloud throughout. The subtle stripes come from adding a third strand every sixth row. A steek in front and turned hems make this a sophisticated yet simple knit.

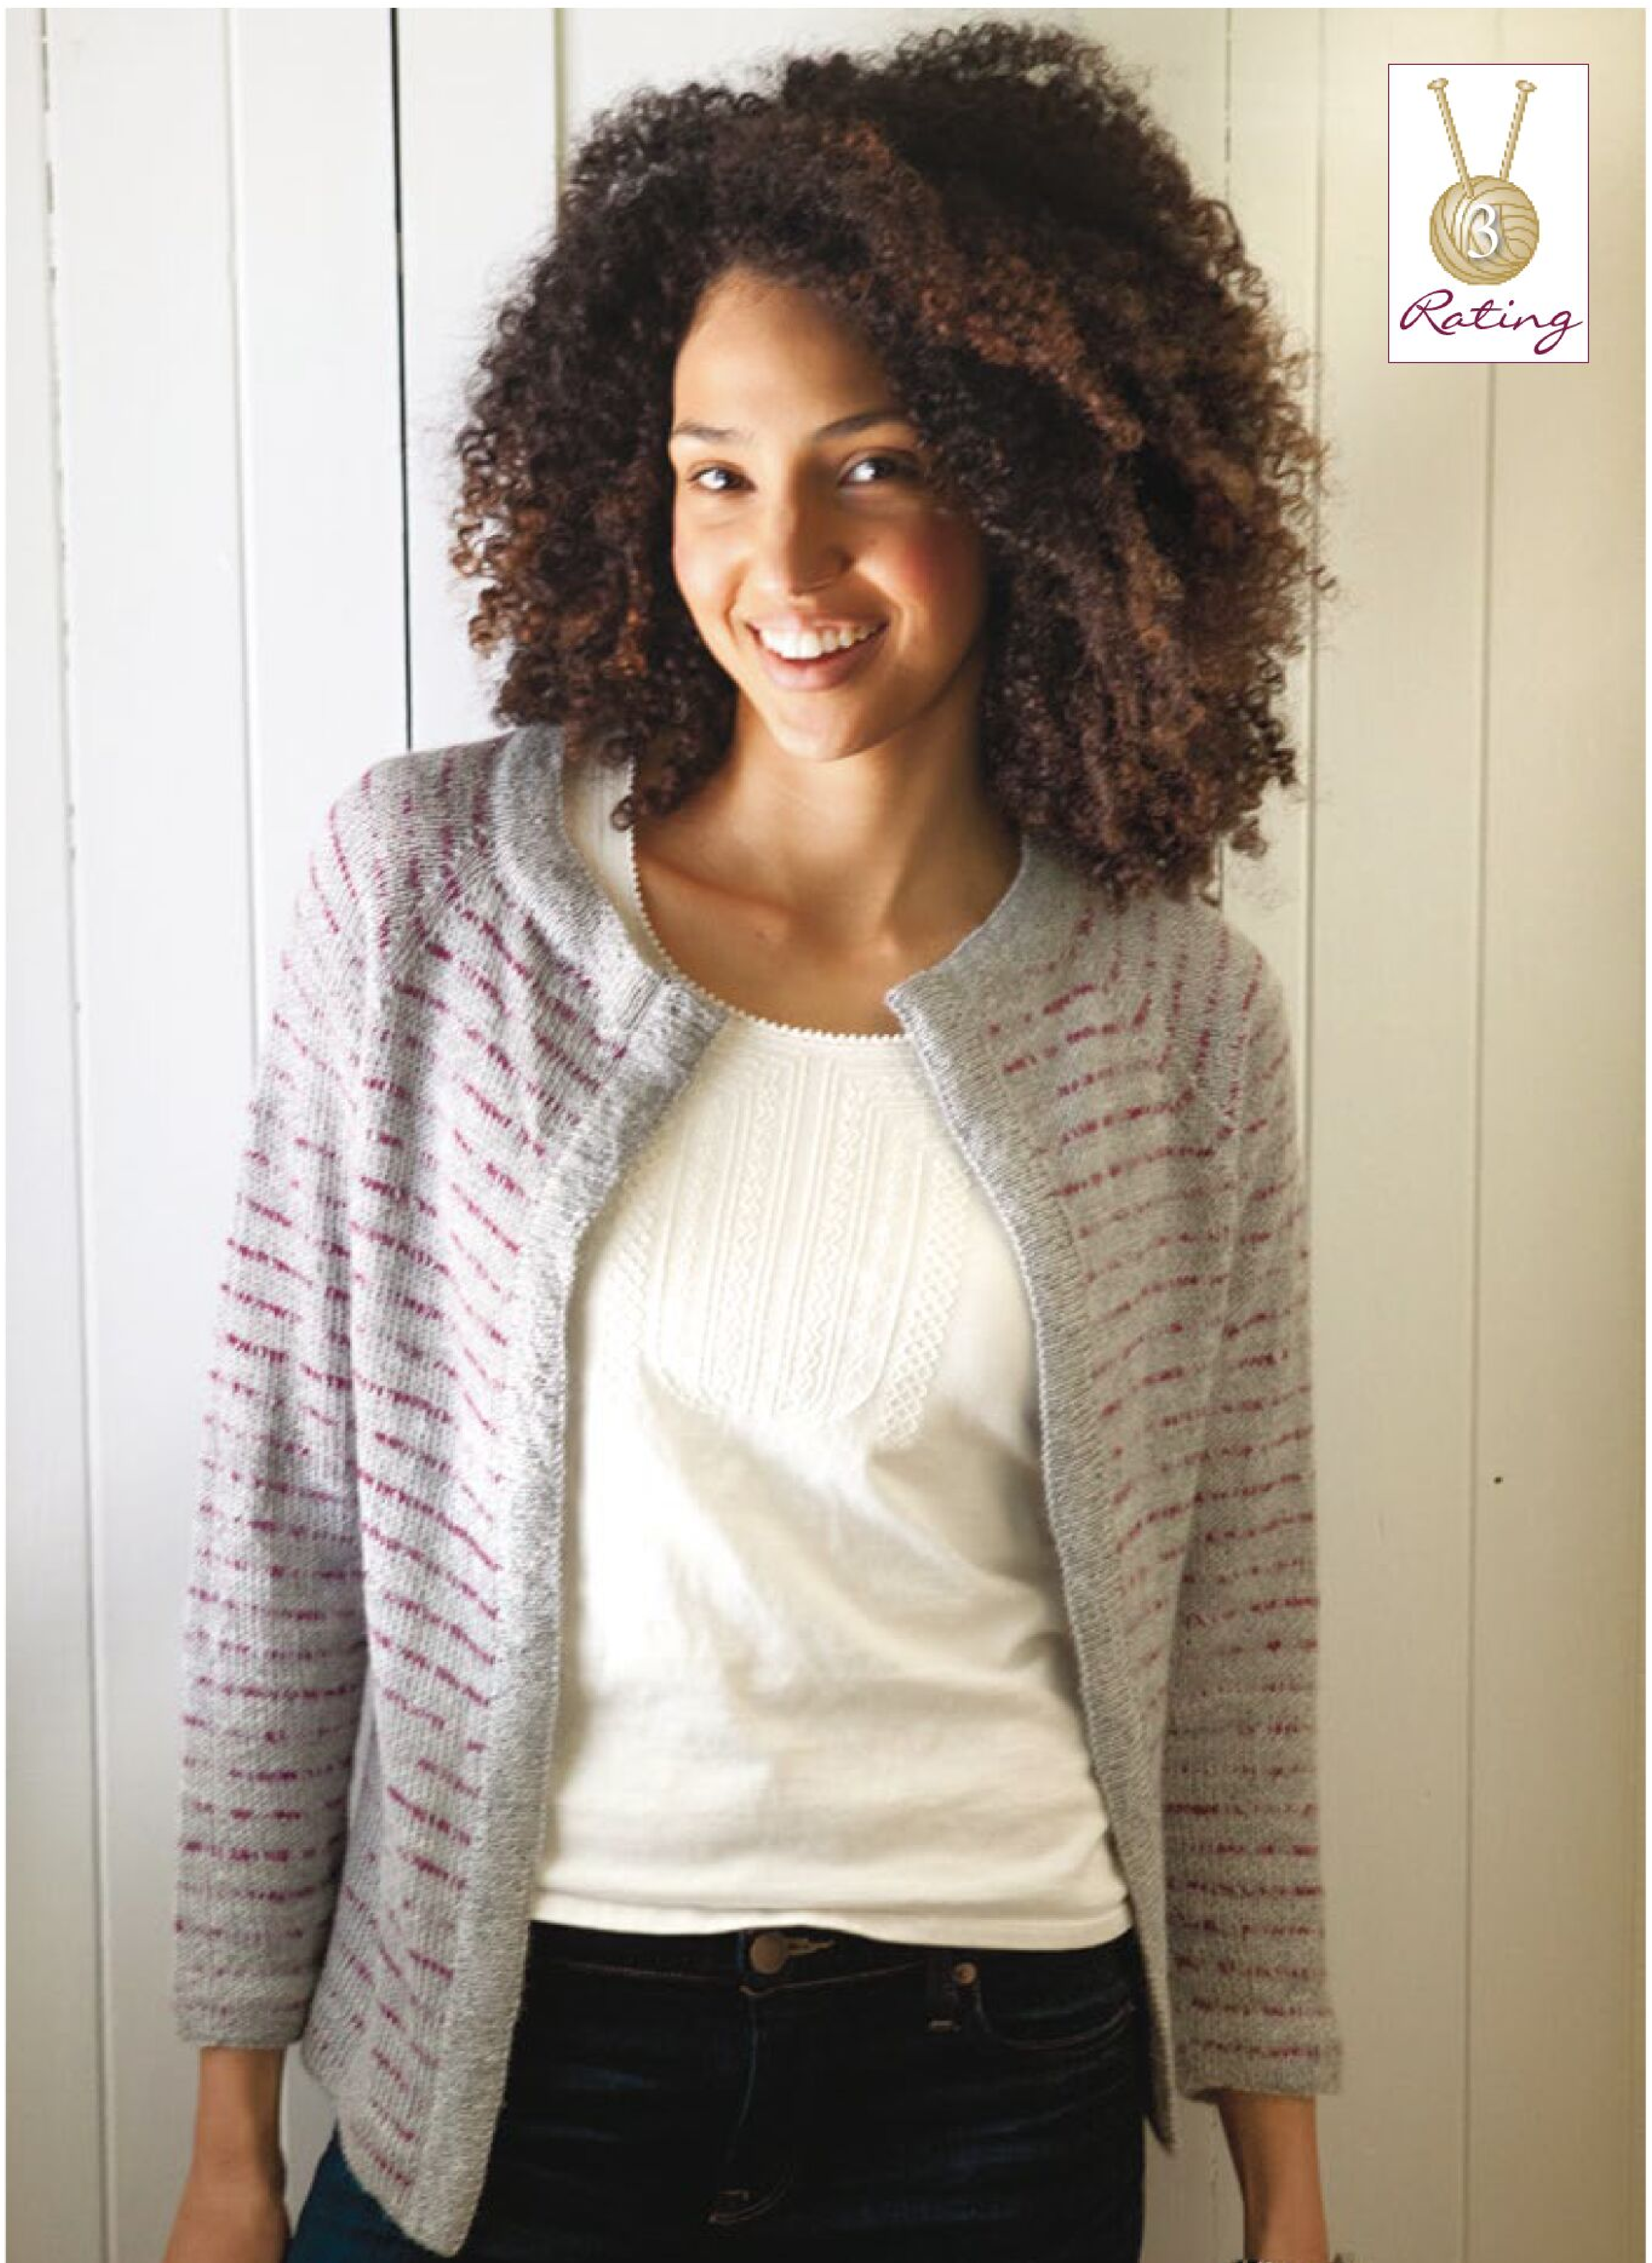
Wrap and Turn: Work until the stitch to be wrapped. If knitting: bring yarn to the front of the work, slip next st as if to purl, return the yarn to the back; turn work and slip wrapped st onto RH needle. Continue across row. If purling: bring yarn to the back of the work, slip next st as if to purl, return the yarn to the front; turn work and slip wrapped st onto RH needle. Continue across row.

Picking up wraps: Work to the wrapped st. If knitting, insert the RH needle under the wrap(s), then through the wrapped st K-wise. Knit the wrap(s) together with the wrapped st. If Purling, slip the wrapped st P-wise onto the RH needle, and use the LH needle to lift the wrap(s) and place them on the RH needle. Slip wrap(s) and unworked st back to LH needle; purl all together through the back loop.

STRIPE PATTERN

Rounds 1-5: Alpaca Cloud (held double).

Rounds 6: Alpaca Cloud held double plus single strand of Alpaca Cloud. Stripe pattern is worked in the body ▶



and up the sleeves. It does not continue into the hems. By carrying Alpaca Cloud up the back of the steek stitches, you will not have so many ends to weave in.

WORKING PATTERN

Sleeves (make 2) cast on 50 (50, 54, 58, 60, 66, 70) sts; Place marker and join in the round.
K 10 rounds.
Purl one round. This will be the hem-turn.
Sleeve Increase round work where indicated in next paragraph: K1, M1L, K to last st, M1R, K1.
Begin working in Stripe Pattern. At the same time, work an Increase Round every 8th (7th, 7th, 6th, 5th, 4th, 3rd) round 14 (18, 18, 21, 23, 26, 30) times: 78 (86, 90, 100, 106, 118, 130) sts. Continue working plain until sleeve measures 43 (43, 43, 43, 42.5, 40.5, 39.5)cm from hem turn row.
Next round: K to 4 (4, 5, 5, 6, 6, 7) sts before marker, and cast off 8 (8, 10, 10, 12, 12, 14) sts.
Break yarn and put sleeve on scrap yarn or holder, keeping in mind what round of the Stripe Pattern you're on.
Loosely cast on 206 (230, 254, 282, 306, 330, 358) sts. Place marker and join in the round.
Round 1: knit around, placing marker after 6th st to mark steek, then place markers after sts:
Size 32: 56, 156
Size 36: 62, 174
Size 40: 68, 192
Size 44: 75, 213
Size 48: 81, 231
Size 52: 87, 249
Size 56: 94, 270 to mark the Right Underarm (RU) and Left Underarm (LU).
Continue in St st for 8 more rounds
Next Round: Purl. This will be the hem turn.

Side Seam Decreases

Work where indicated in next section: Work to 3 sts before RU marker. SSK, K1, SM, K1, K2tog. Repeat at LU marker.

Side Seam Increases

Work where indicated in next section: Work to 1 st before RU marker. M1R, K1, SM, K1, M1L. Repeat at LU marker.

Begin working in Stripe Pattern.

Work until body measures 38 (38, 39.5, 41, 41, 40, 40.5) from hem turn round. At the same time, work a Side Seam Decrease on round 14 (17, 17, 25, 17, 27, 32), then every 9th (7th, 8th, 8th, 9th, 9th, 11th) round 5 (5, 5, 5, 5, 4, 3) more times. As you work up the body, occasionally place a split-ring marker between the sts that mark off the 6 steek sts (where the first two markers are placed). You may also wish to run a contrasting thread up the column of stitches to make the steek more obvious.
K 7 (13, 12, 15, 19, 18, 10) rounds plain.
Work Side Seam Increases on the next round, then every 8th (8th, 9th, 7th, 7th, 9th, 11th) round 5 (5, 5, 5, 5, 4, 3) times. You should have as many sts now as you cast on.
If necessary, work additional rounds so that you are one Stripe Pattern round below where you left off in the sleeves.

Break for Sleeves

K to 4 (4, 5, 5, 6, 6, 7) sts before RU marker, cast off 8 (8, 10, 10, 12, 12, 14) sts. Repeat at LU marker.

Attach Sleeves

Sleeves are knit onto body.
On body, knit across front to edge of Right Underarm, place marker. Place a sleeve on spare needles and hold it next to the body so that the bound off stitches are facing each other. Knit around the sleeve, connecting it to the body. PM, and continue knitting around the back of the body. PM, and attach left sleeve in the same manner.
There are now 330 (370, 394, 442, 470, 518, 562) sts on the needle.
Raglan Decrease Round
work where specified in next paragraph: K to 3 sts before RU marker, SSK, K1, SM, K1, K2tog; repeat at all other underarm markers.
Work a decrease round every round 3 (3, 4, 4, 6, 6, 7) times, then every other round 21 (24, 25, 29, 30, 36, 38) times: 138 (154, 162, 178, 182, 182, 202) sts remain.

NECKLINE

The neckline is created using short rows.
Row 1: Work around the body as in a decrease row until you have just completed the last decrease on the left front. Knit to 6 (6, 6, 6, 7, 7, 8) sts before Beg of Rnd marker. Wrap and Turn.
Row 2: Purl around body until 6 (6, 6, 6, 7, 7, 8) sts before Steek marker; W&T.
Row 3: Work as a decrease round until 4 (4, 4, 4, 5, 5, 5) sts before wrapped st; W&T.
Row 4: Purl around body until 4 (4, 4, 4, 5, 5, 5) sts before wrapped st; W&T.
Row 5: Work as a decrease round until 3 sts before wrapped st; W&T.
Row 6: Purl around body until 3 sts before wrapped st; W&T.
Row 7: (Sizes 36-56 only)Work as a decrease round until 2 sts before wrapped st; W&T.
Row 8: Purl around body until 2 sts before wrapped st; W&T.
Repeat rows 7-8 0(0, 1, 2, 2, 2, 3) more times. 114 (122, 122, 130, 134, 134, 146) sts remain.
Begin working in the round. Knit to the end of round, working raglan decreases, and picking up wraps and knitting them together with the st they wrap.

NECKBAND

The neckband is knit in a solid color; break contrast colour and continue with the main colour only.
Knit one round plain, picking up wraps and knitting them together with the st they wrap. Knit 9 more rounds, then purl one round. This will become the Hem turn row. K for 9 more rounds, then cast off loosely.

Attach Hems and Neckband

Fold Hems of body and sleeves and the Neckband inward along the hem turn row. Turn garment inside out. Using a single strand of yarn, carefully whipstitch cast-on rows of sleeve hems to the back of the 10th sleeve row, being careful not to let the stitching show on the right side. Repeat with the body hem; begin and end the stitching in the steek portion. Sew cast off round of neckband down to first neckband round, also beginning and ending in the steek portion.

STEEK

This steek must be reinforced, either by machine sewing or by hand sewing, as described below. If you wish to machine sew, follow the hand-sewing diagram for placement and test your tension on your swatch. Because the fabric is quite loose, you may wish to use a very light tear-away stabilizer underneath it. Use an elastic stitch that allows for the stretch of knitted fabric. Once steeks have been reinforced, cut up the centre of the steek.

FRONT BANDS

With RS facing, PU and Knit sts along the column of sts 2 sts away from the steek sts (see diagram). Start at the base of the hem and finish at the top of the neckband. PU 3 sts for every 4 rows.

Work in St st for 9 more rows,

Purl 1 row.

Work in St st for 9 rows and cast off all sts loosely.

Repeat on other edge, starting at the top of the neckband and working down to the bottom of the hem.

MAKING UP

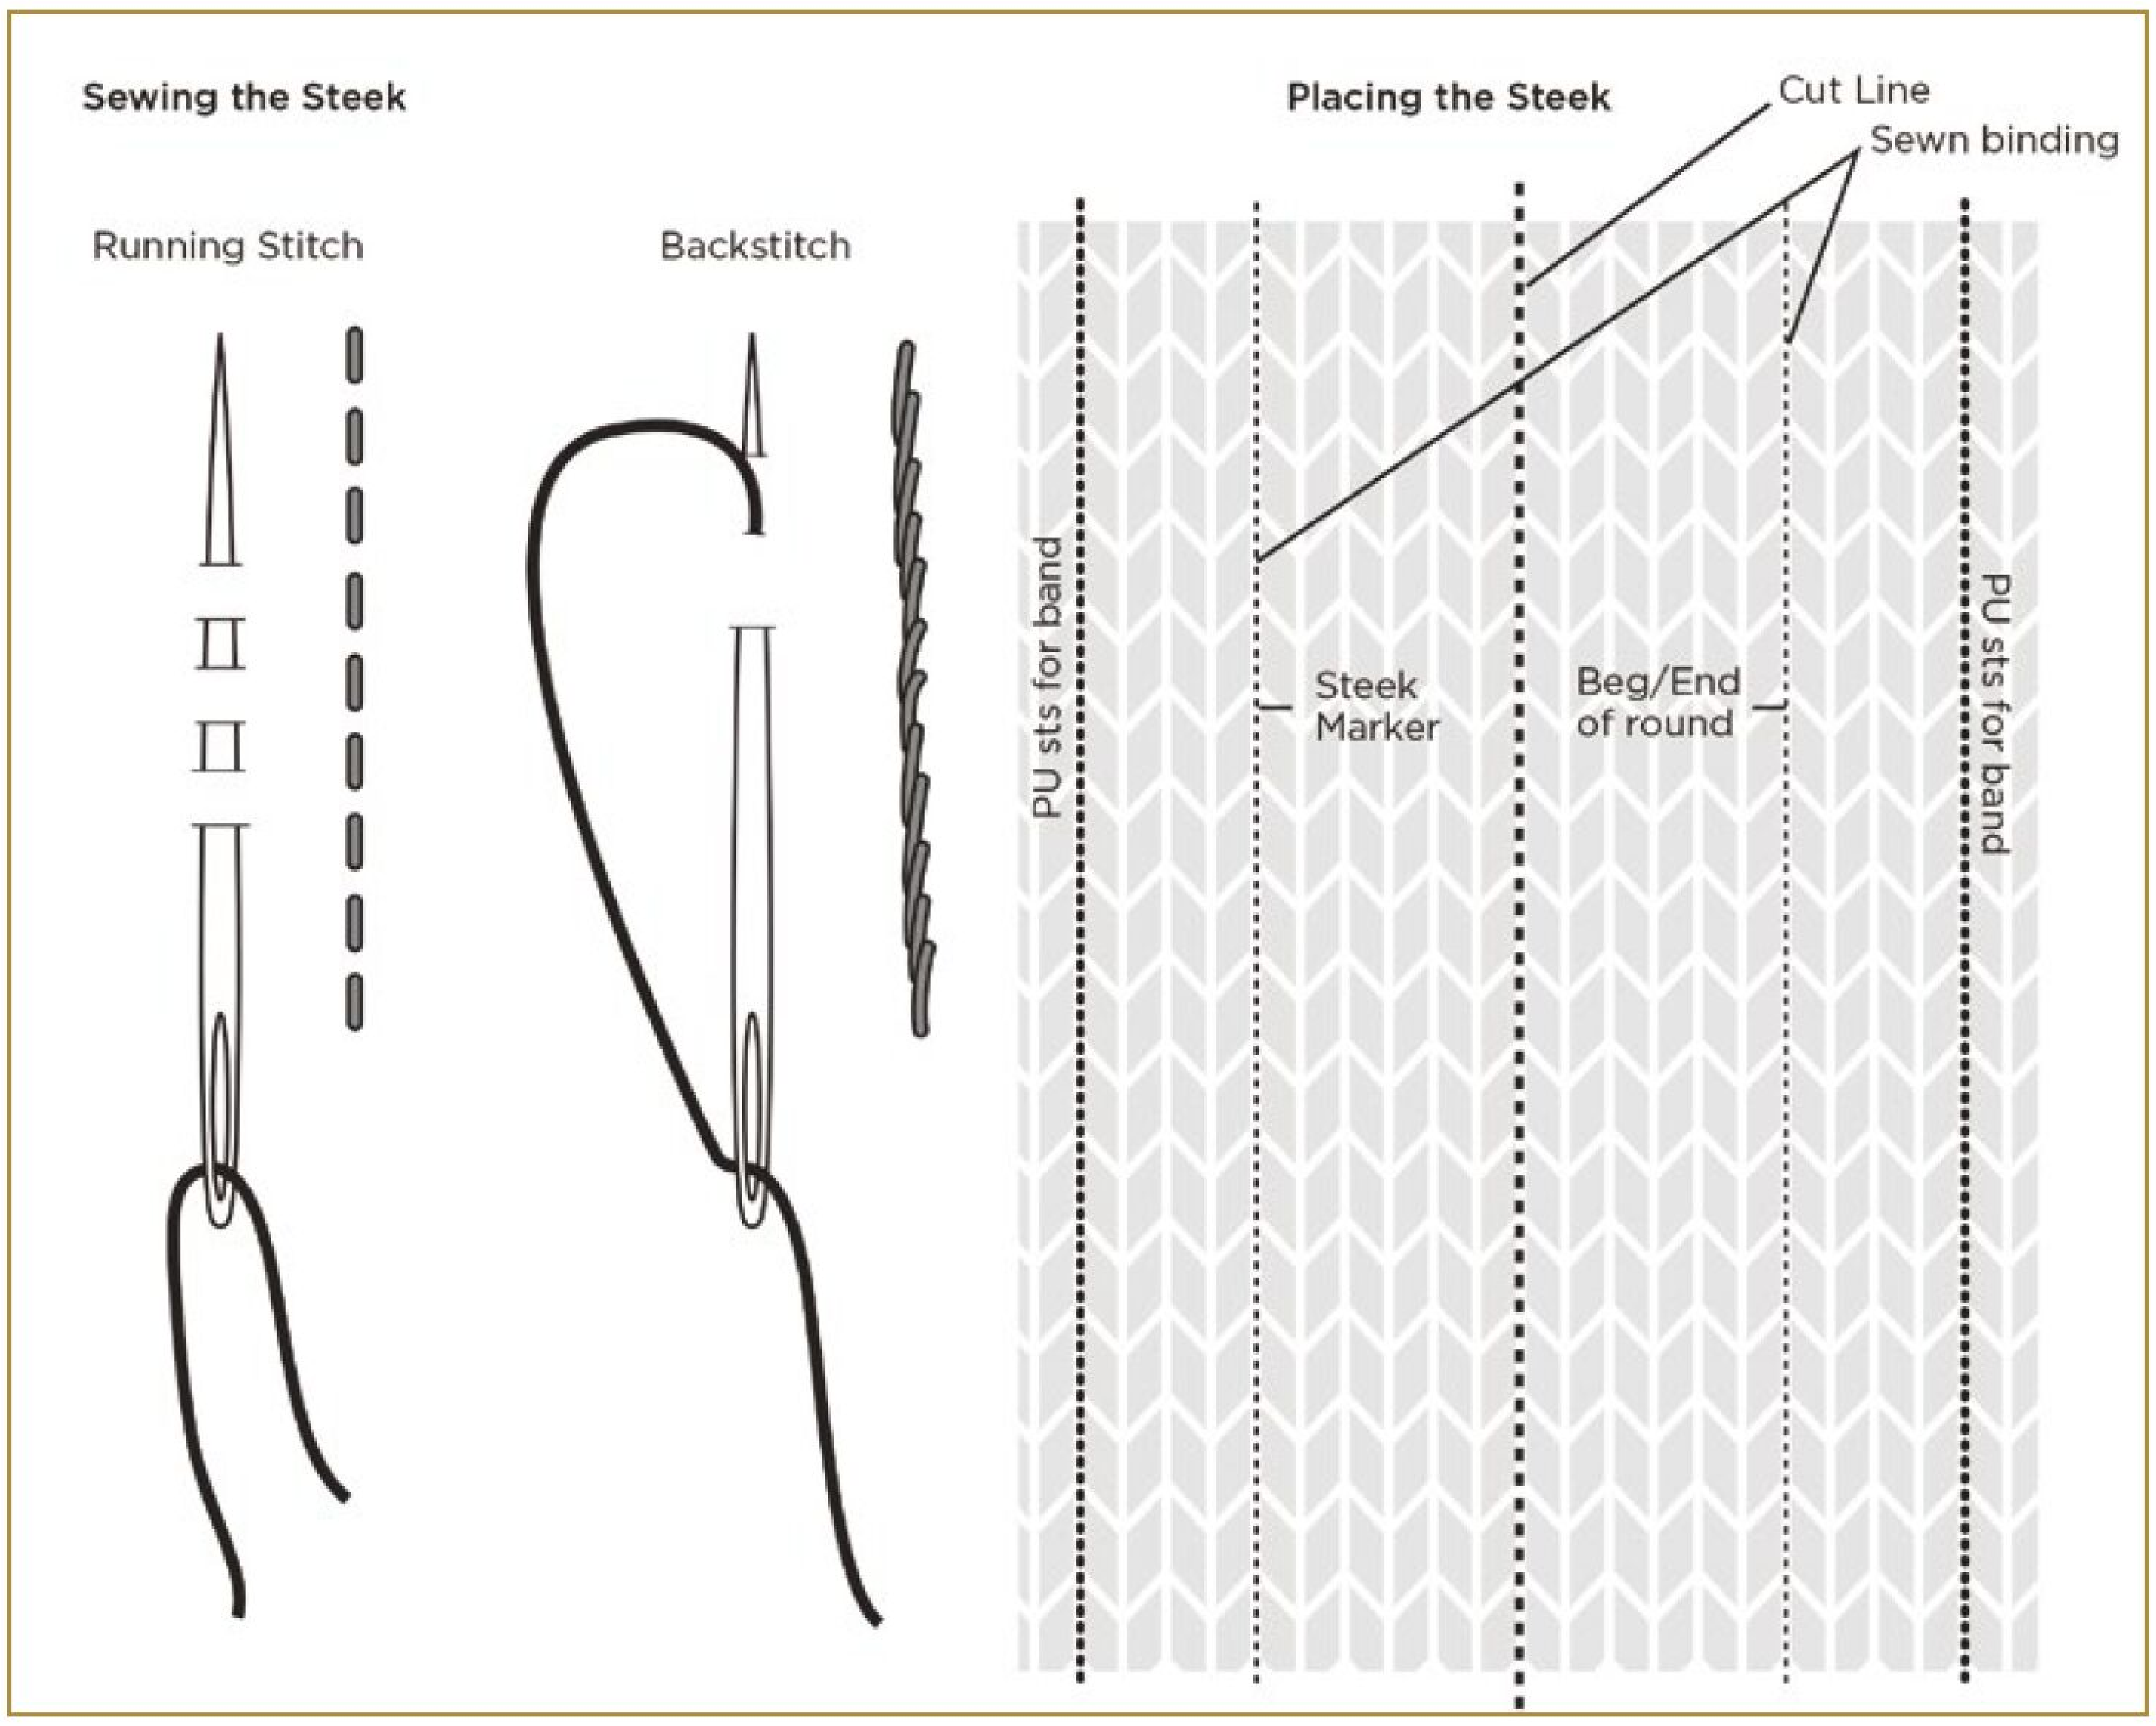
If you wish to attach a closure, do so now and sew to front layer only (first 9 rows) of band. Use a light stabilizer underneath so as not to damage the knitted fabric.

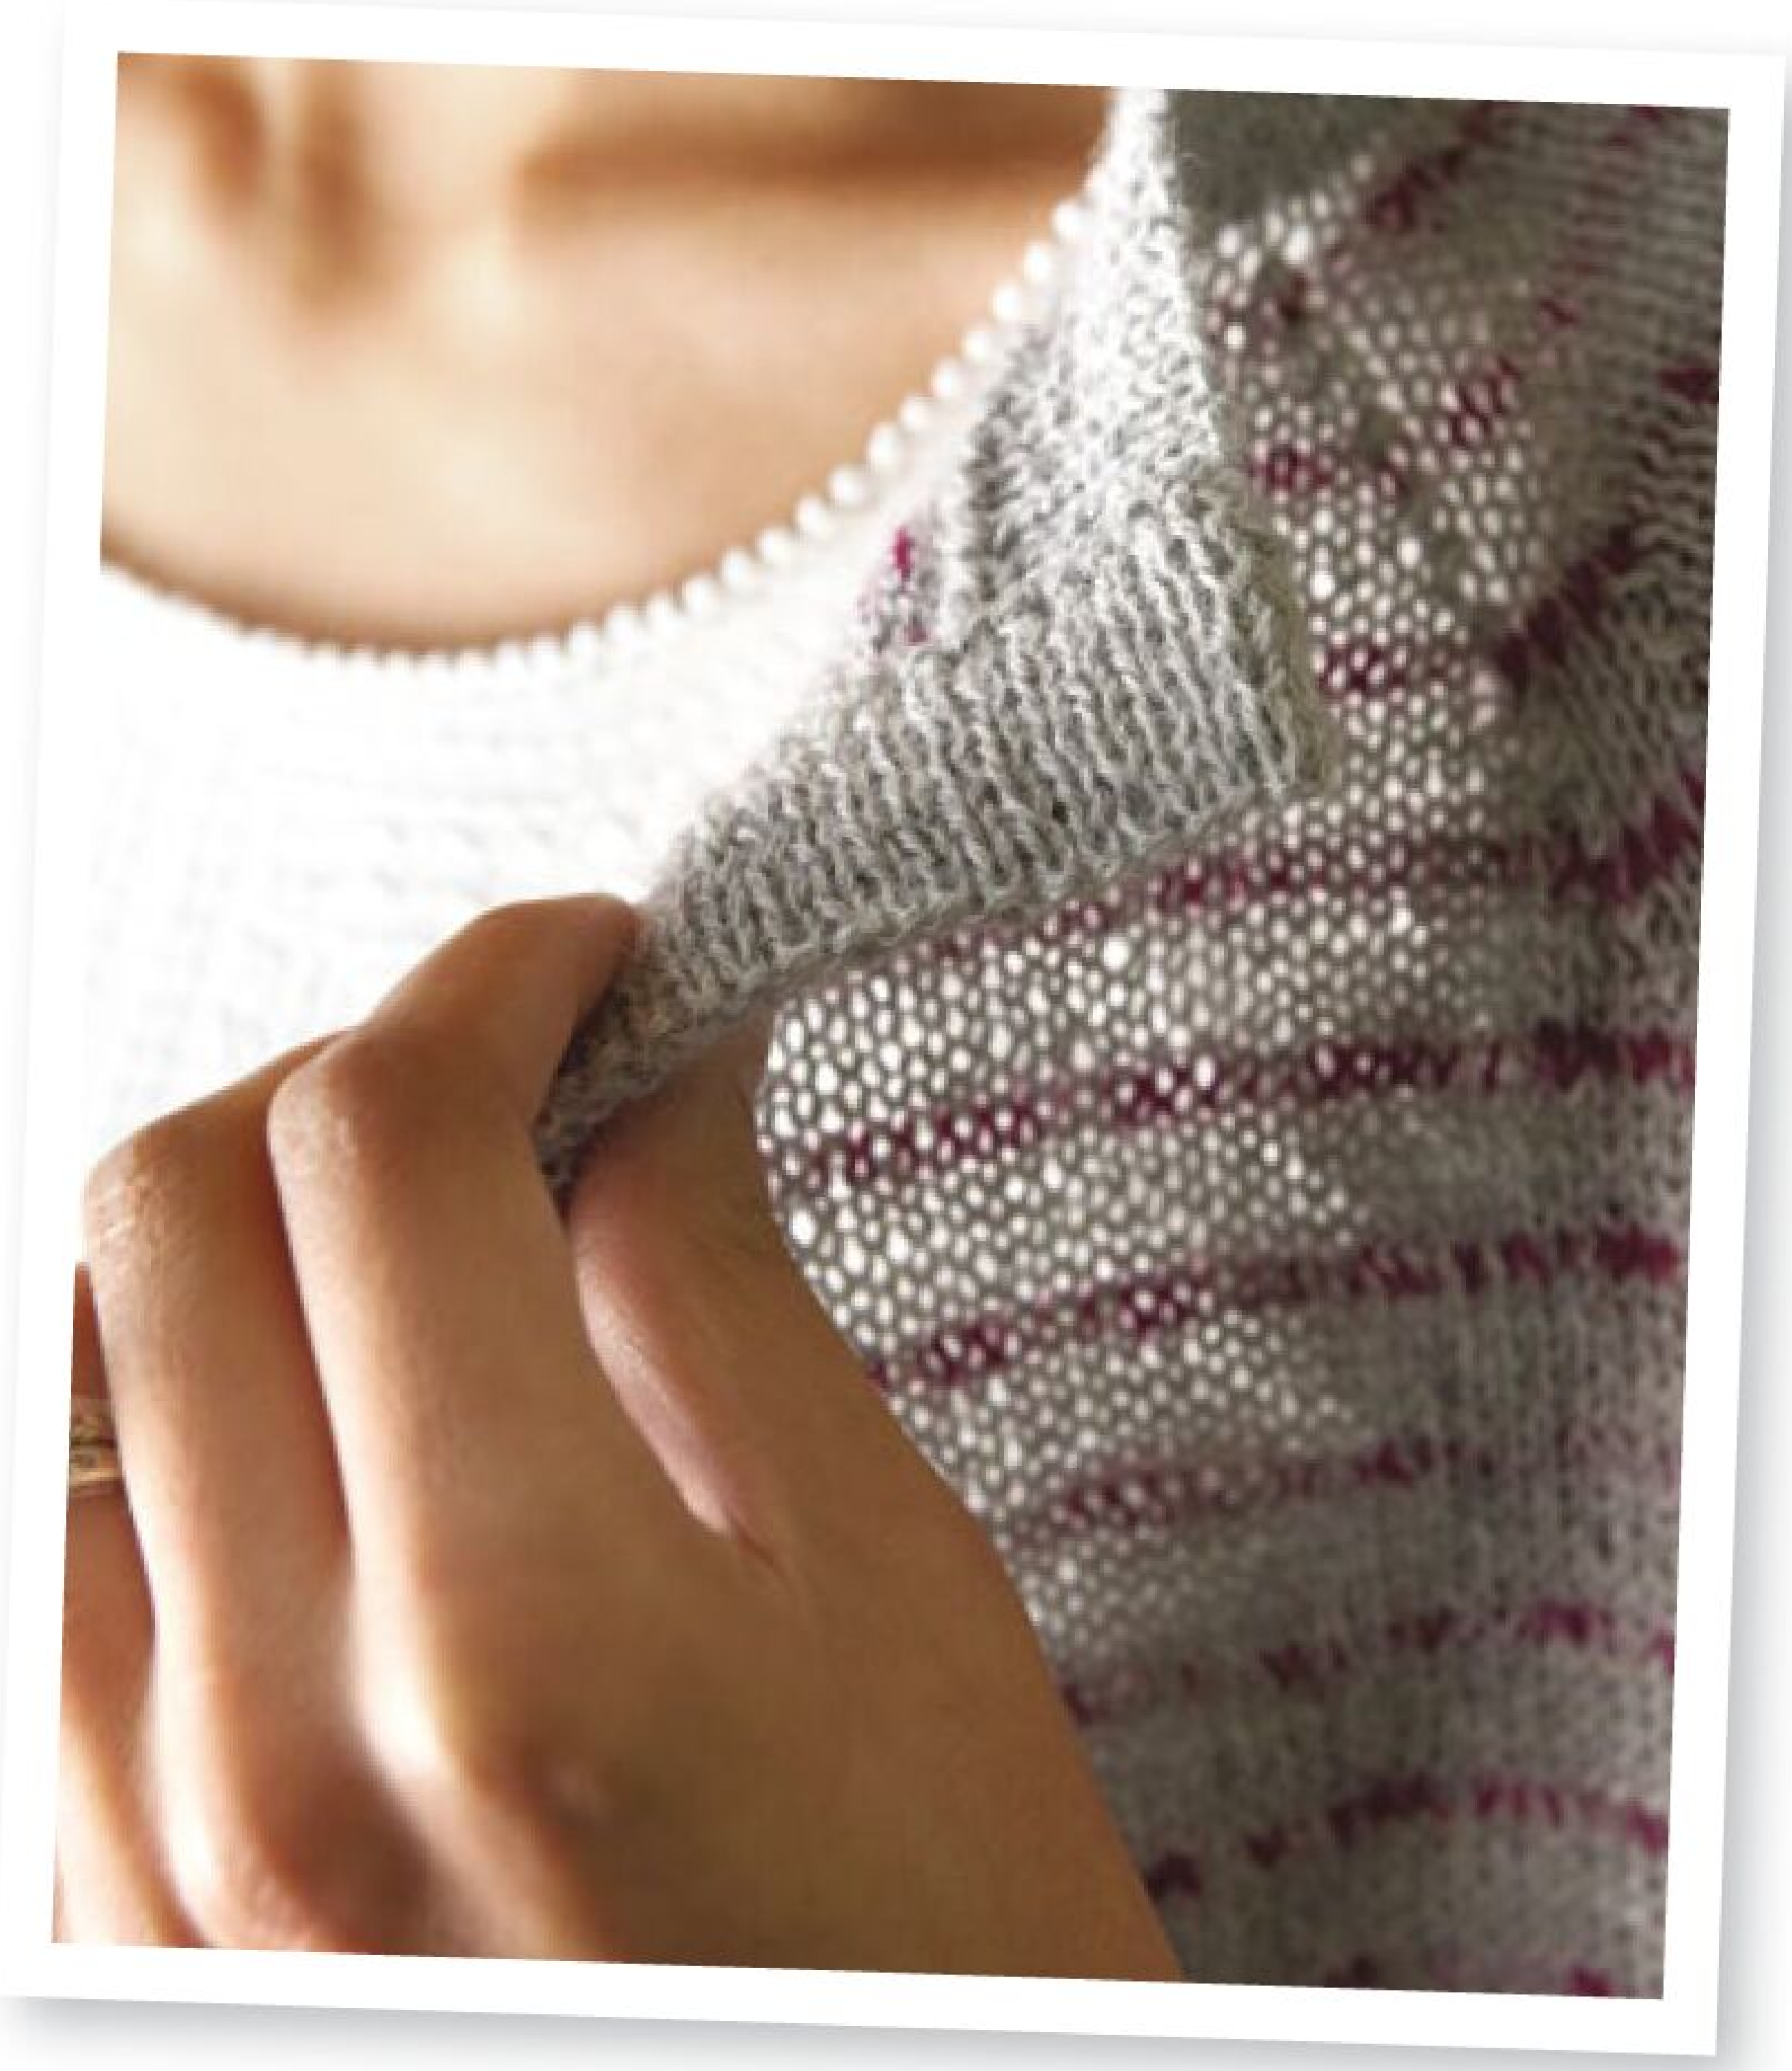
Turn front bands over along the purl turn row, covering the steek edges. Sew bound-off row to back of cast-on row, being careful not to let sts show on front. Sew top and bottom of front band 'loops' shut.

Stitch underarms closed. Weave in ends, wash and block.

HAND-SEWN STEEK

This technique is useful in those cases where the yarn doesn't readily felt to itself. The cut line will be between the first and last sts of the round; a line of stitching three sts to each side of this cut line will help to stabilize the cut edge. It may help to use a contrasting colour of thread; this will not be visible in the finished piece. Once the edging has been knit and sewn down, it will help keep the cut edges from fraying. Hold work so that end stitch is in the centre of the piece. Reach in and smooth all yarn ends away from this stitch. Lay piece on a flat surface to help with sewing.





With sewing needle and thread, sew a running stitch between the third and fourth sts to the right of the centre cut line. Sew right through the yarn. Turn work and backstitch down the same column of stitches. To backstitch, run the needle under and out as a normal stitch, but begin the next stitch halfway between the beginning and end of the first. This will create little loops of thread in the fabric that can't be pulled out. Be sure to make many tiny stitches and pierce the yarn with each stitch if possible. Do not pull the thread so tight as to pucker the fabric. The more time you take in this step, the stronger the edge will be!

Repeat the sewn line one stitch to the left of the centre cut line.

When both sides have been sewn, lay the piece flat to cut. Using very sharp shears, carefully snip through every strand going between the first and last sts of the round. Go very slowly – snip one strand at a time. Be careful not to cut the sewn binding.

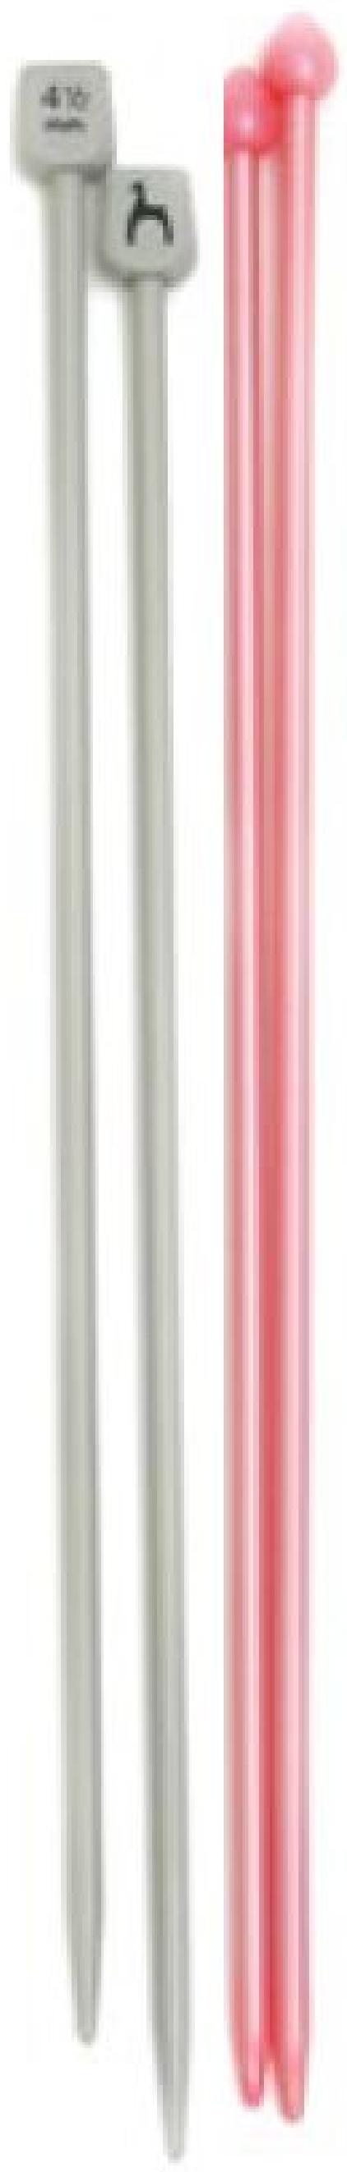
GLOSSARY

BEGINNER'S TOOL KIT

PINS

Plastic-head pins are useful for checking tension and blocking out items. Pins with coloured heads are best because they do not get lost in your work.

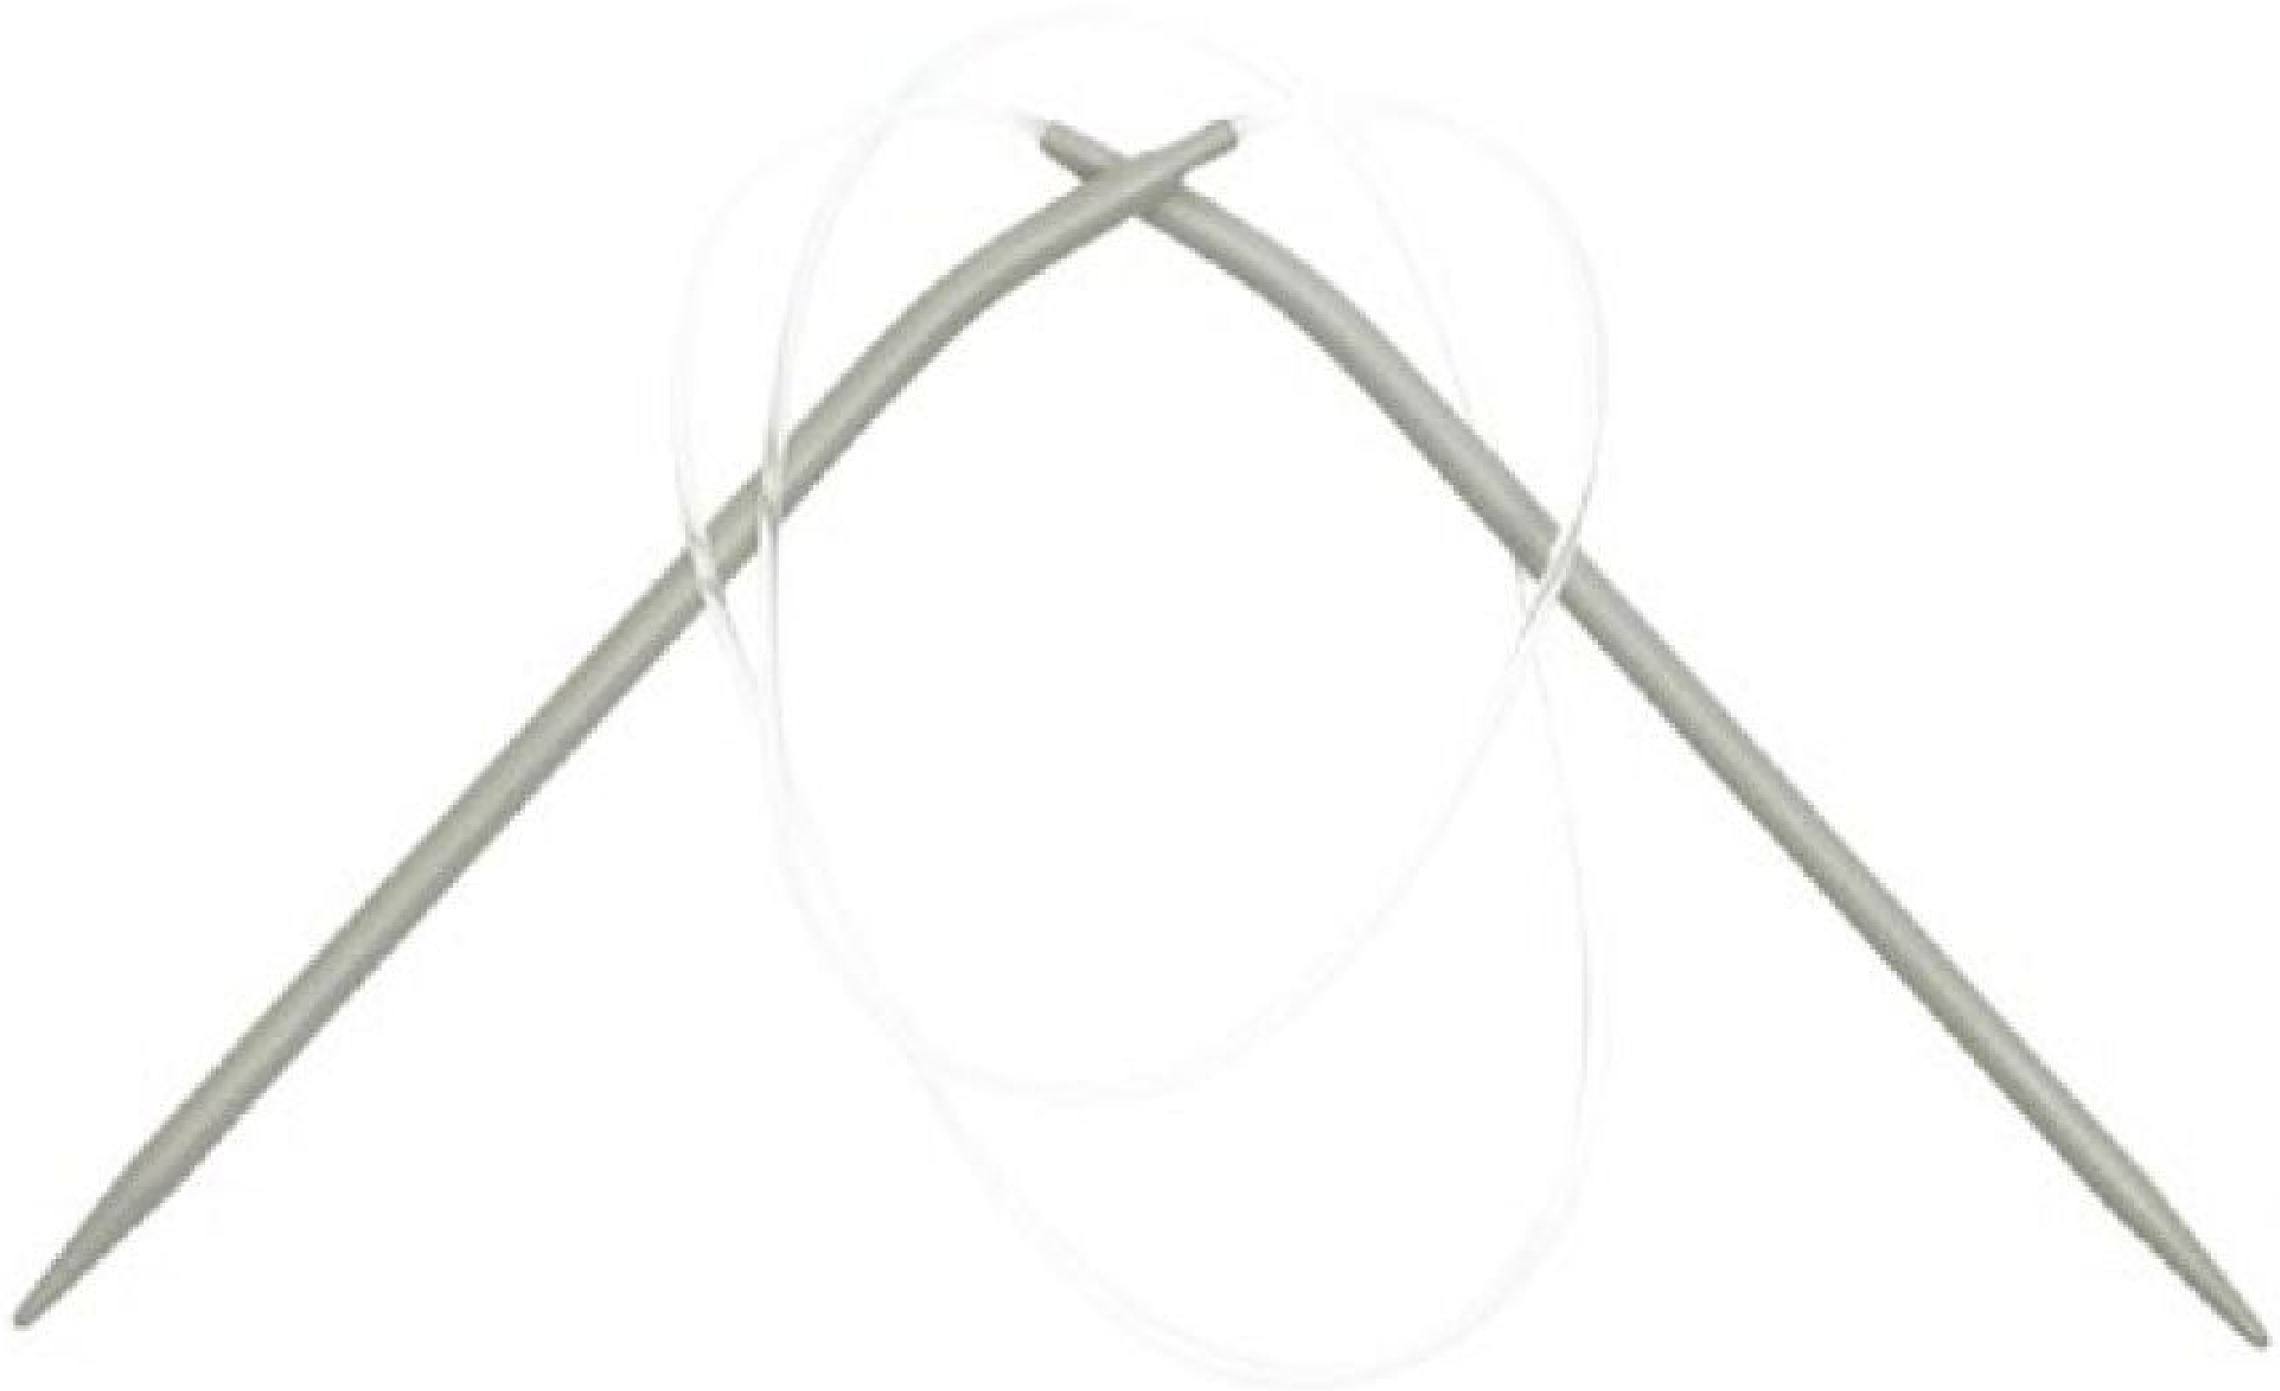


KNITTING NEEDLES

Knitting needles are made from plastic, aluminium or wood and come in varying lengths and widths. Straight needles come in pairs and doublepointed needles come in sets of four.

KNITTING BAG

A knitting bag is essential for those who like to knit 'on the go'. Not only is it a practical way to keep all your knitting paraphenalia together, it also helps keep the yarn clean and tangle-free.



CIRCULAR KNITTING NEEDLES

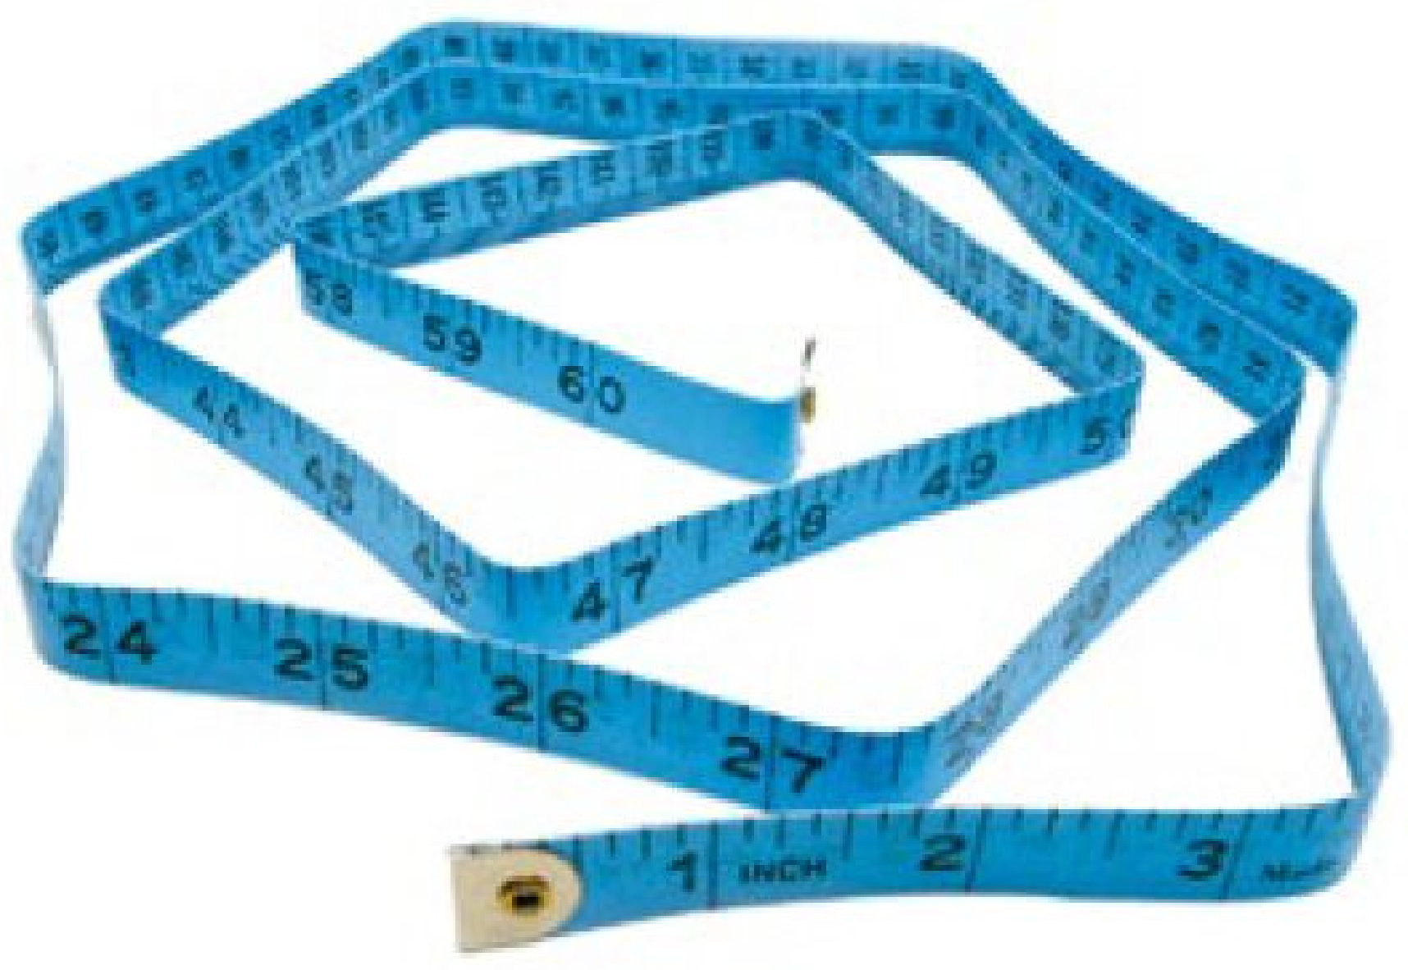
Circular needles have two working ends joined by a thin nylon wire. They are more balanced than straight needles and allow the weight of your work to rest in your lap.

ROW COUNTER

A row counter is helpful for keeping track of rows worked, particularly where increases, decreases or other kinds of patterning occur.

KNITTING IN ELASTIC

Elastic yarn prevents sagging in cuffs, collars and waists. You can work it in with knitting yarn on knitted or crocheted garments.

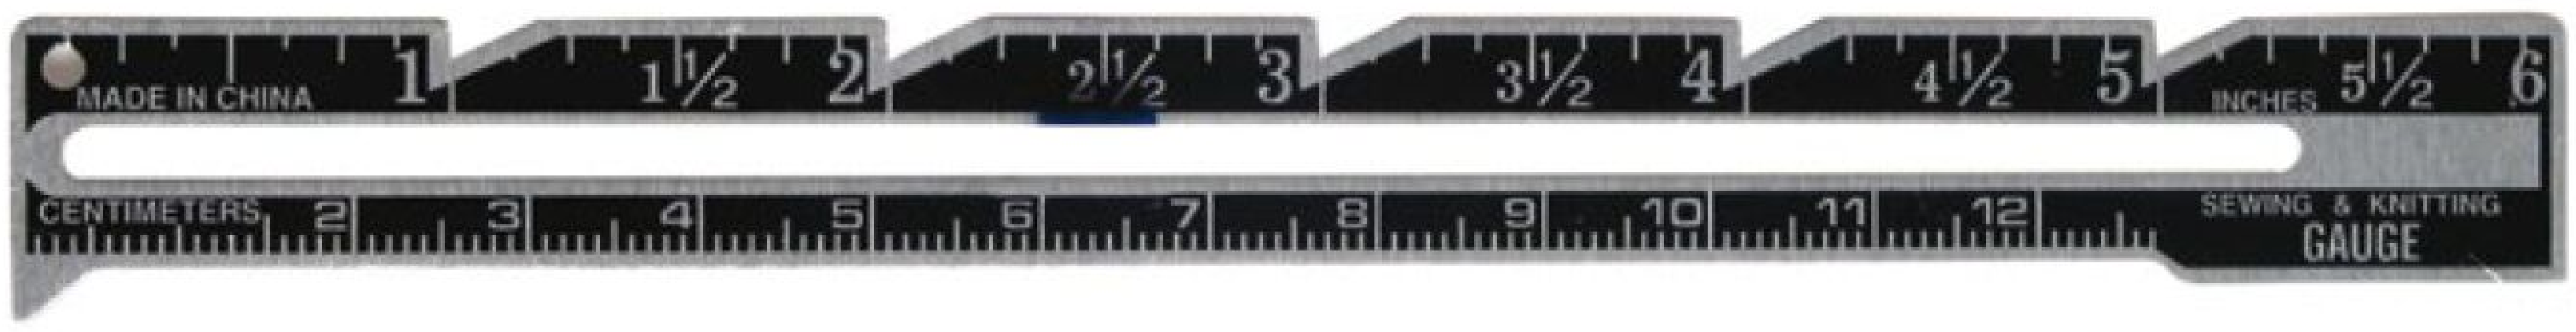


TAPE MEASURE

A basic tape measure is essential for checking your garment measurements.

KNITTER'S NEEDLES

Knitter's needles need to have a large eye and a blunt point so they do not split stitches when sewing up your knitting.



STITCH GAUGE

A stitch gauge is a flat piece of metal or plastic with a ruler marked on one side and/or a window cut out in the centre. It allows you to mark and measure easily and accurately.

STITCH HOLDER

A stitch holder is used to secure stitches not in use. You can also use safety pins for holding a small number of stitches.

CASTING ON

Diagram 1

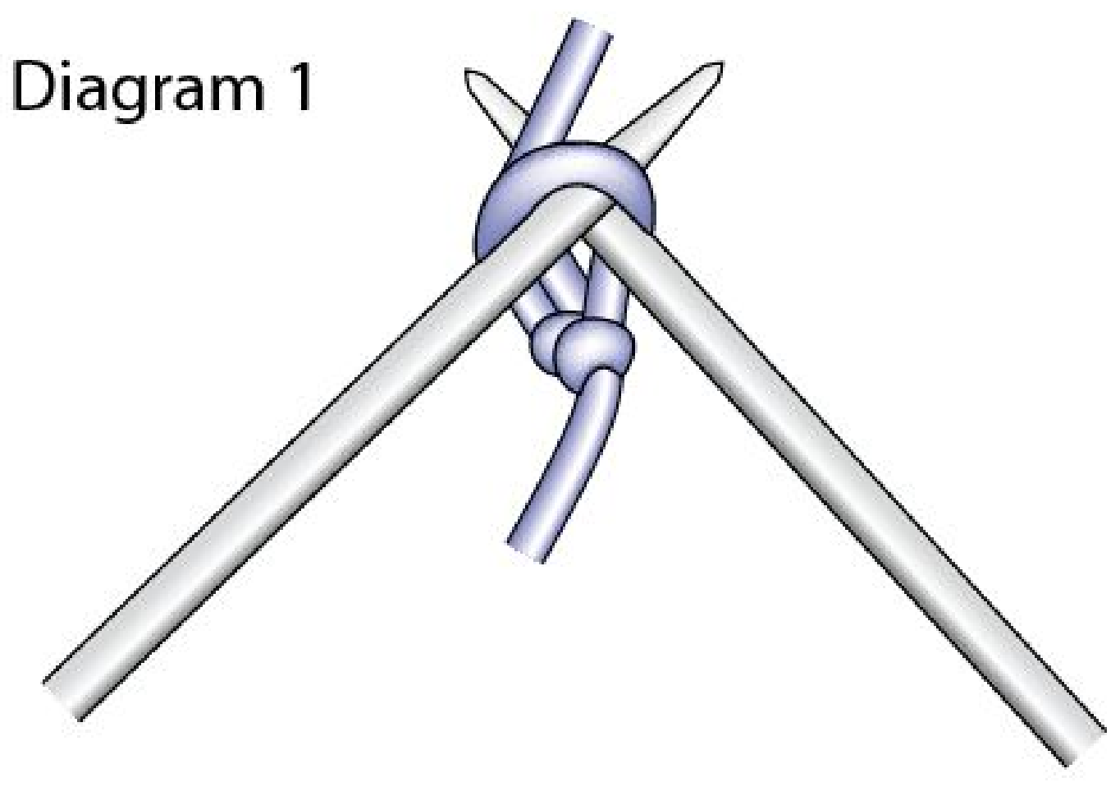


Diagram 2

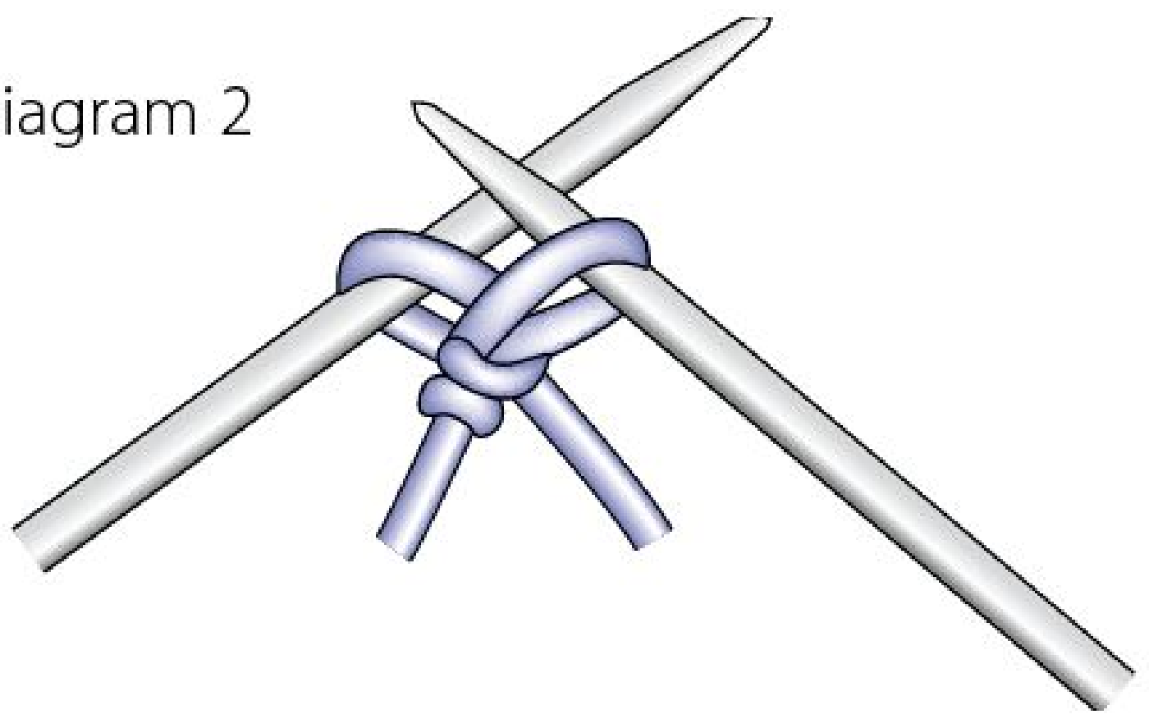

Casting on is creating a row of loops on a knitting needle to form the base row for your knitting. One of the most popular methods of casting on is the cable cast on. Form a slipknot about 25cm away from the end of the yarn.

Place the slipknot on a knitting needle and pull gently to secure. Hold this needle in your left hand. Insert the right-hand needle through the slip knot. Pass the yarn over the point of the right-hand needle (see Diagram 1).

Pull a loop through the slip knot with the right-hand needle (see Diagram 2). Place this loop on the left-hand needle and gently pull the yarn to secure the stitch. For the remaining cast-on stitches, insert the right-hand needle between the slip knot and the first stitch on the left-hand needle. Wind the yarn around the point of the right-hand needle. Draw a loop through and place this loop on the left-hand needle. Continue in this manner until you have cast on the desired number of stitches.

KNIT STITCH

Diagram 1

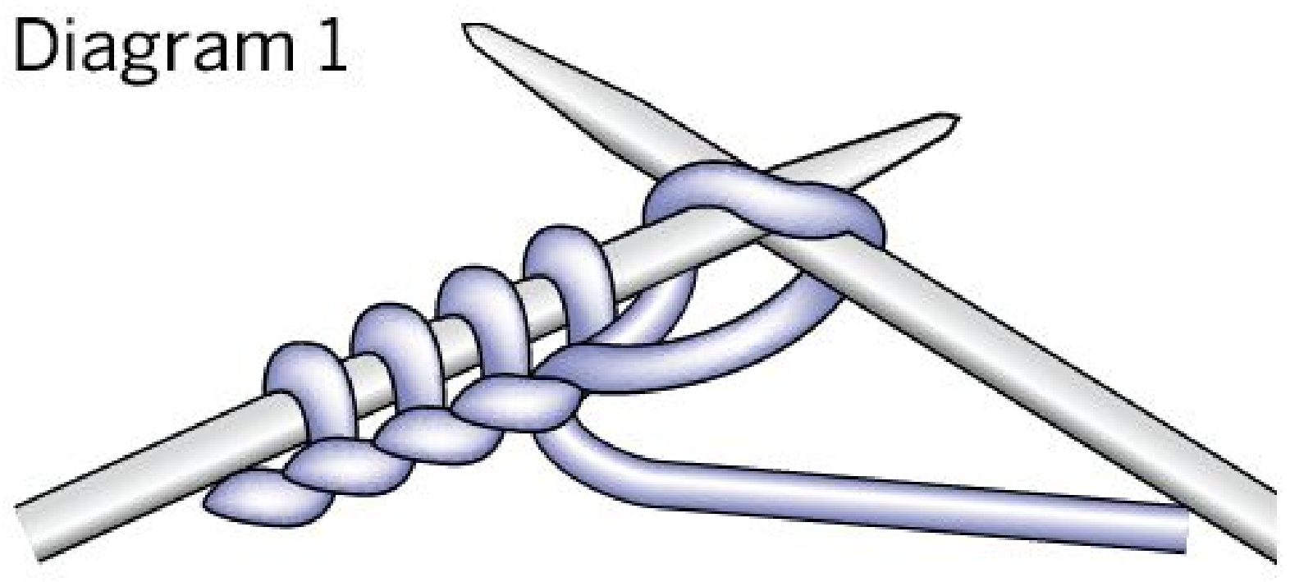

Diagram 2

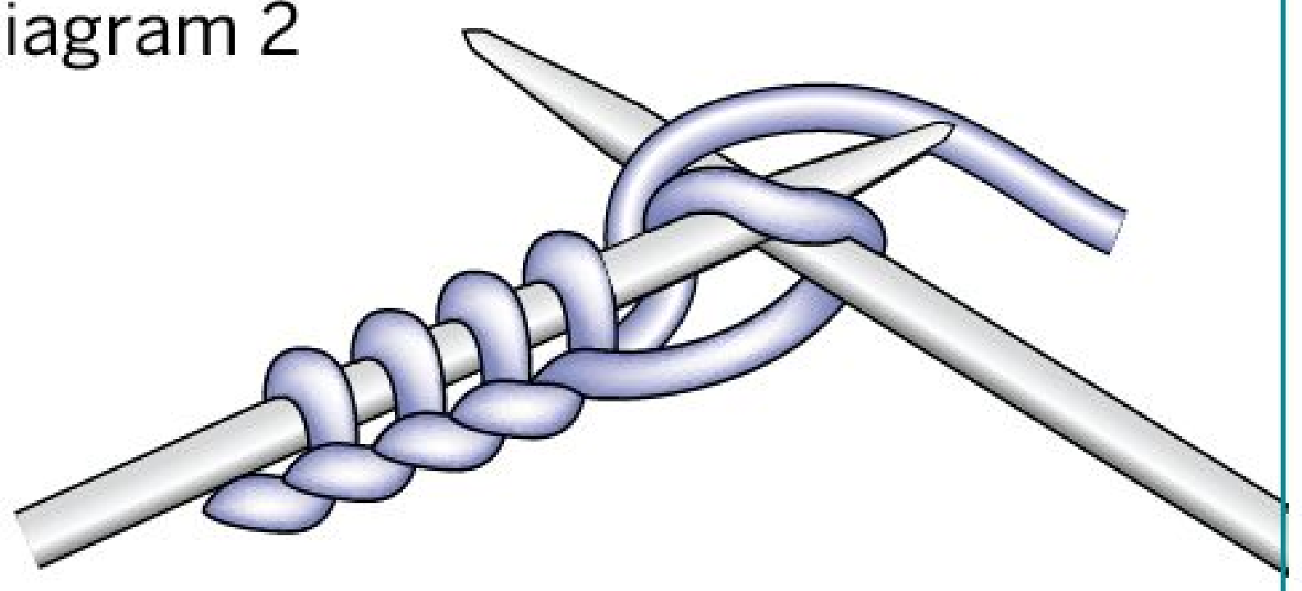

Once you have cast on, you then knit into the stitches you have made to form the knitted fabric. Hold the needle with the cast on stitches in your left hand, with the loose yarn at the back of your work. Insert the right-hand needle from left to right through the front of the first stitch on the left-hand needle (see Diagram 1). Wind the yarn from left to right over the point of the right-hand needle (see Diagram 2). Draw the yarn through the stitch to form a new stitch on the right-hand needle. Slip the original stitch off the left-hand needle, keeping the new stitch on the right-hand needle. To knit a row, repeat these steps until all the stitches have been transferred from the left-hand needle to the right-hand needle. Turn your work, transferring the needle with the stitches on into your left hand to work the next row.

PURL STITCH

Diagram 1

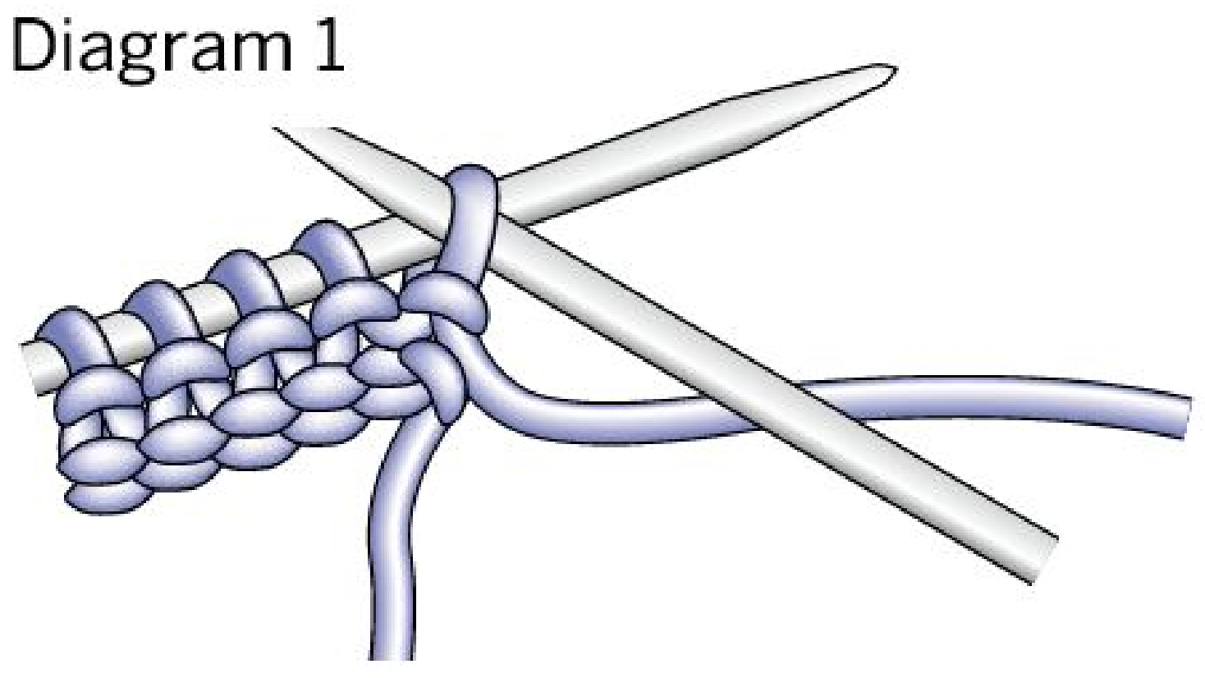

Diagram 2

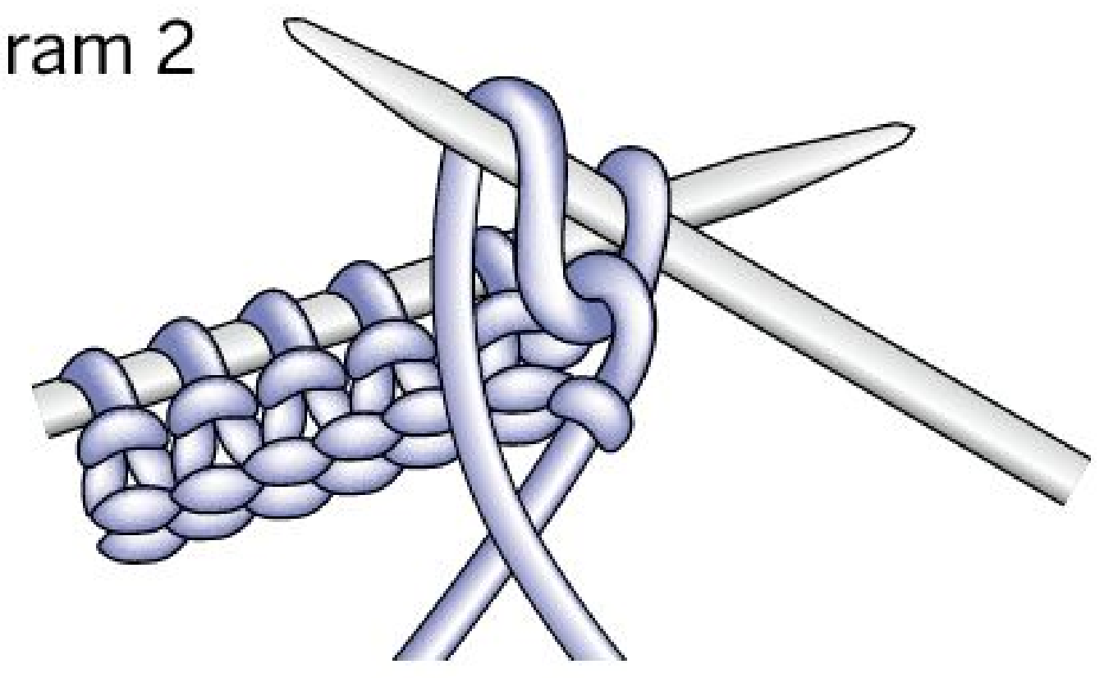
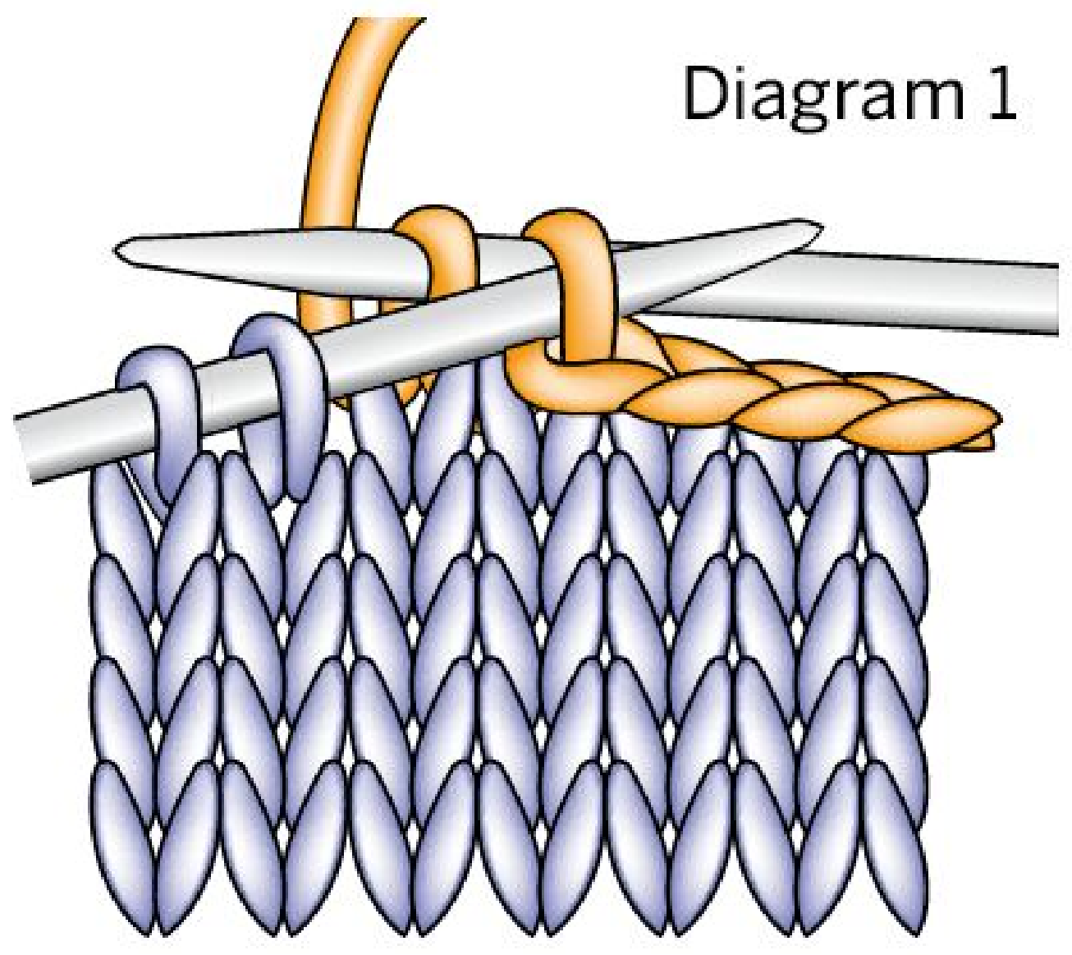


The purl stitch is basically the reverse of the knit stitch. Hold the needle with the stitches on in your left hand, with the loose yarn at the front of your work. Insert the right-hand needle from right to left into the front of the first stitch on the left-hand needle (see Diagram 1). Wind the yarn from right to left over the point of the right-hand needle (see Diagram 2). Draw the yarn through the stitch to form a new stitch on the right-hand needle. Slip the original stitch off the left-hand needle, keeping the new stitch on the right-hand needle. To purl a row, repeat these steps until all the stitches have been transferred from the left-hand needle to the right-hand needle. Turn your work, transferring the needle with the stitches on into your left hand to work the next row.

CASTING OFF

KNITWISE

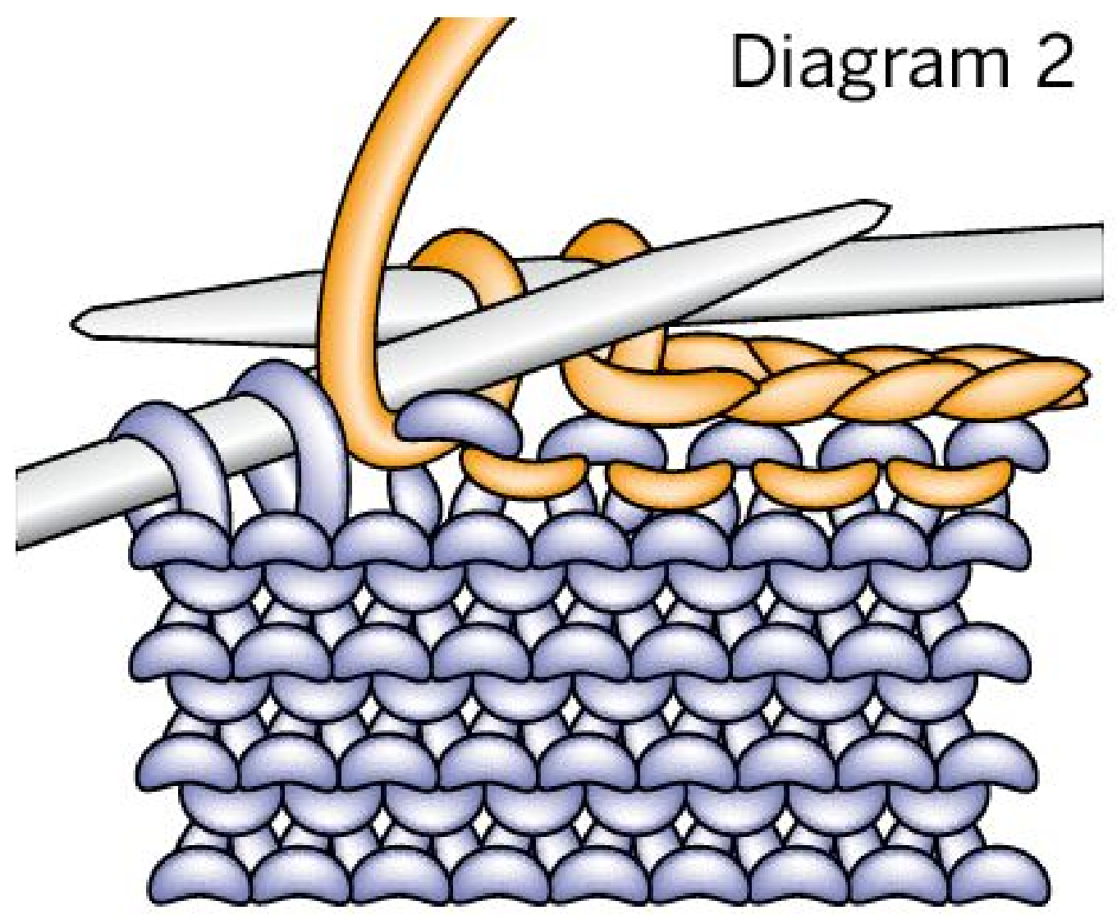
Diagram 1



Knit two stitches. Use the point of the left-hand needle to lift the first stitch on the right-hand needle over the second, and drop if off the needle. Knit the next stitch on the left-hand needle so that there are two stitches on the right-hand needle again, and repeat. Continue in this manner until all the stitches have been worked off the left-hand needle and only one stitch remains on the right-hand needle. Cut the yarn, leaving a tail and thread the yarn through the loop and pull it firmly to fasten off.

PURLWISE

Diagram 2



Purl two stitches. Use the point of the left-hand needle to lift the first stitch on the right-hand needle over the second, and drop it off the needle. Purl the next stitch on the left-hand needle so that there are two stitches on the right-hand needle again, and repeat. Continue in this manner until all the stitches have been worked off the left-hand needle and only one stitch remains on the right-hand needle. Secure this last stitch as described in casting off knitwise.

SUBSTITUTING YARNS

If you substitute or spin a yarn for a project, you can compare the weight of the yarn to the project yarn by comparing wraps per inch. Wrap your yarn around a ruler for one inch and count the number of wraps. If you have more wraps per inch than the project yarn, your yarn is too thin; if you have fewer wraps per inch than the project yarn, your yarn is too thick.

KNITTING TENSION

Checking your knitting tension, that is, the tightness or looseness of your knitting, is important. To check your tension, cast on 30 stitches using the recommended needle size. Work in the pattern until your work measures 10cm from the cast on edge then cast off. You now have a "swatch". Measure your tension by placing a ruler over your swatch and counting the number of stitches across and rows down (including fractions of stitches and rows) in 10cm. Repeat these measurements two to three times on a different parts of the swatch to check your measurements. If you have more stitches and rows than called for in the instructions, you should use larger needles; if you have fewer, use smaller needles. Check your tension again before starting your project.

PROVISIONAL CAST ON (INVISIBLE CAST ON)

Place a loose slipknot on the needle in your right hand. Hold the waste yarn next to the slipknot and around your left thumb. Hold your working yarn over your left index finger. *Bring the needle forward under the waste yarn, over the working yarn, grab a loop of working yarn (Diagram 1), then bring the needle to the front, over both yarns, and grab a second loop (Diagram 2). Repeat from * until you have the desired number of stitches on your needle. When you're ready to work in the opposite direction, pick out the waste yarn to expose the live stitches.

Diagram 1

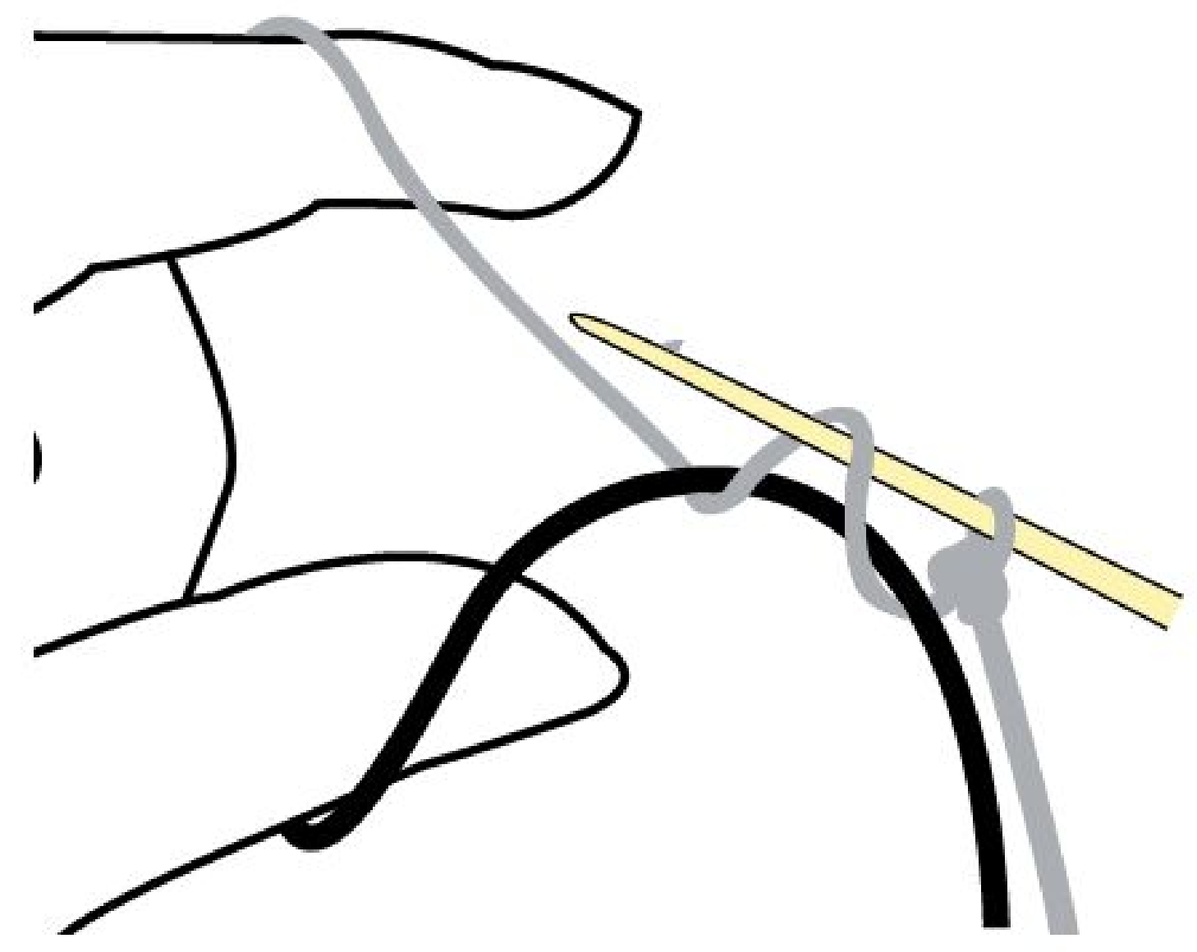


Diagram 2

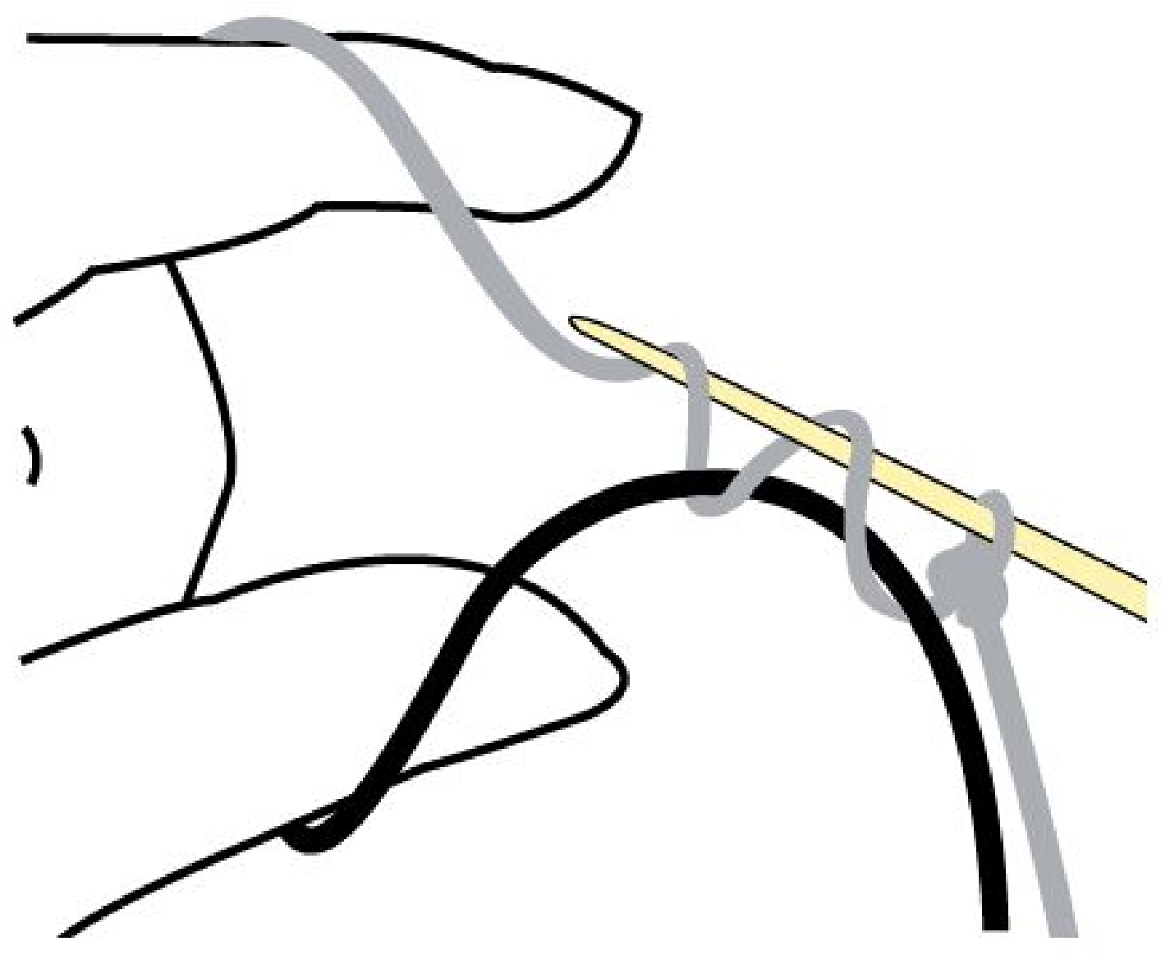
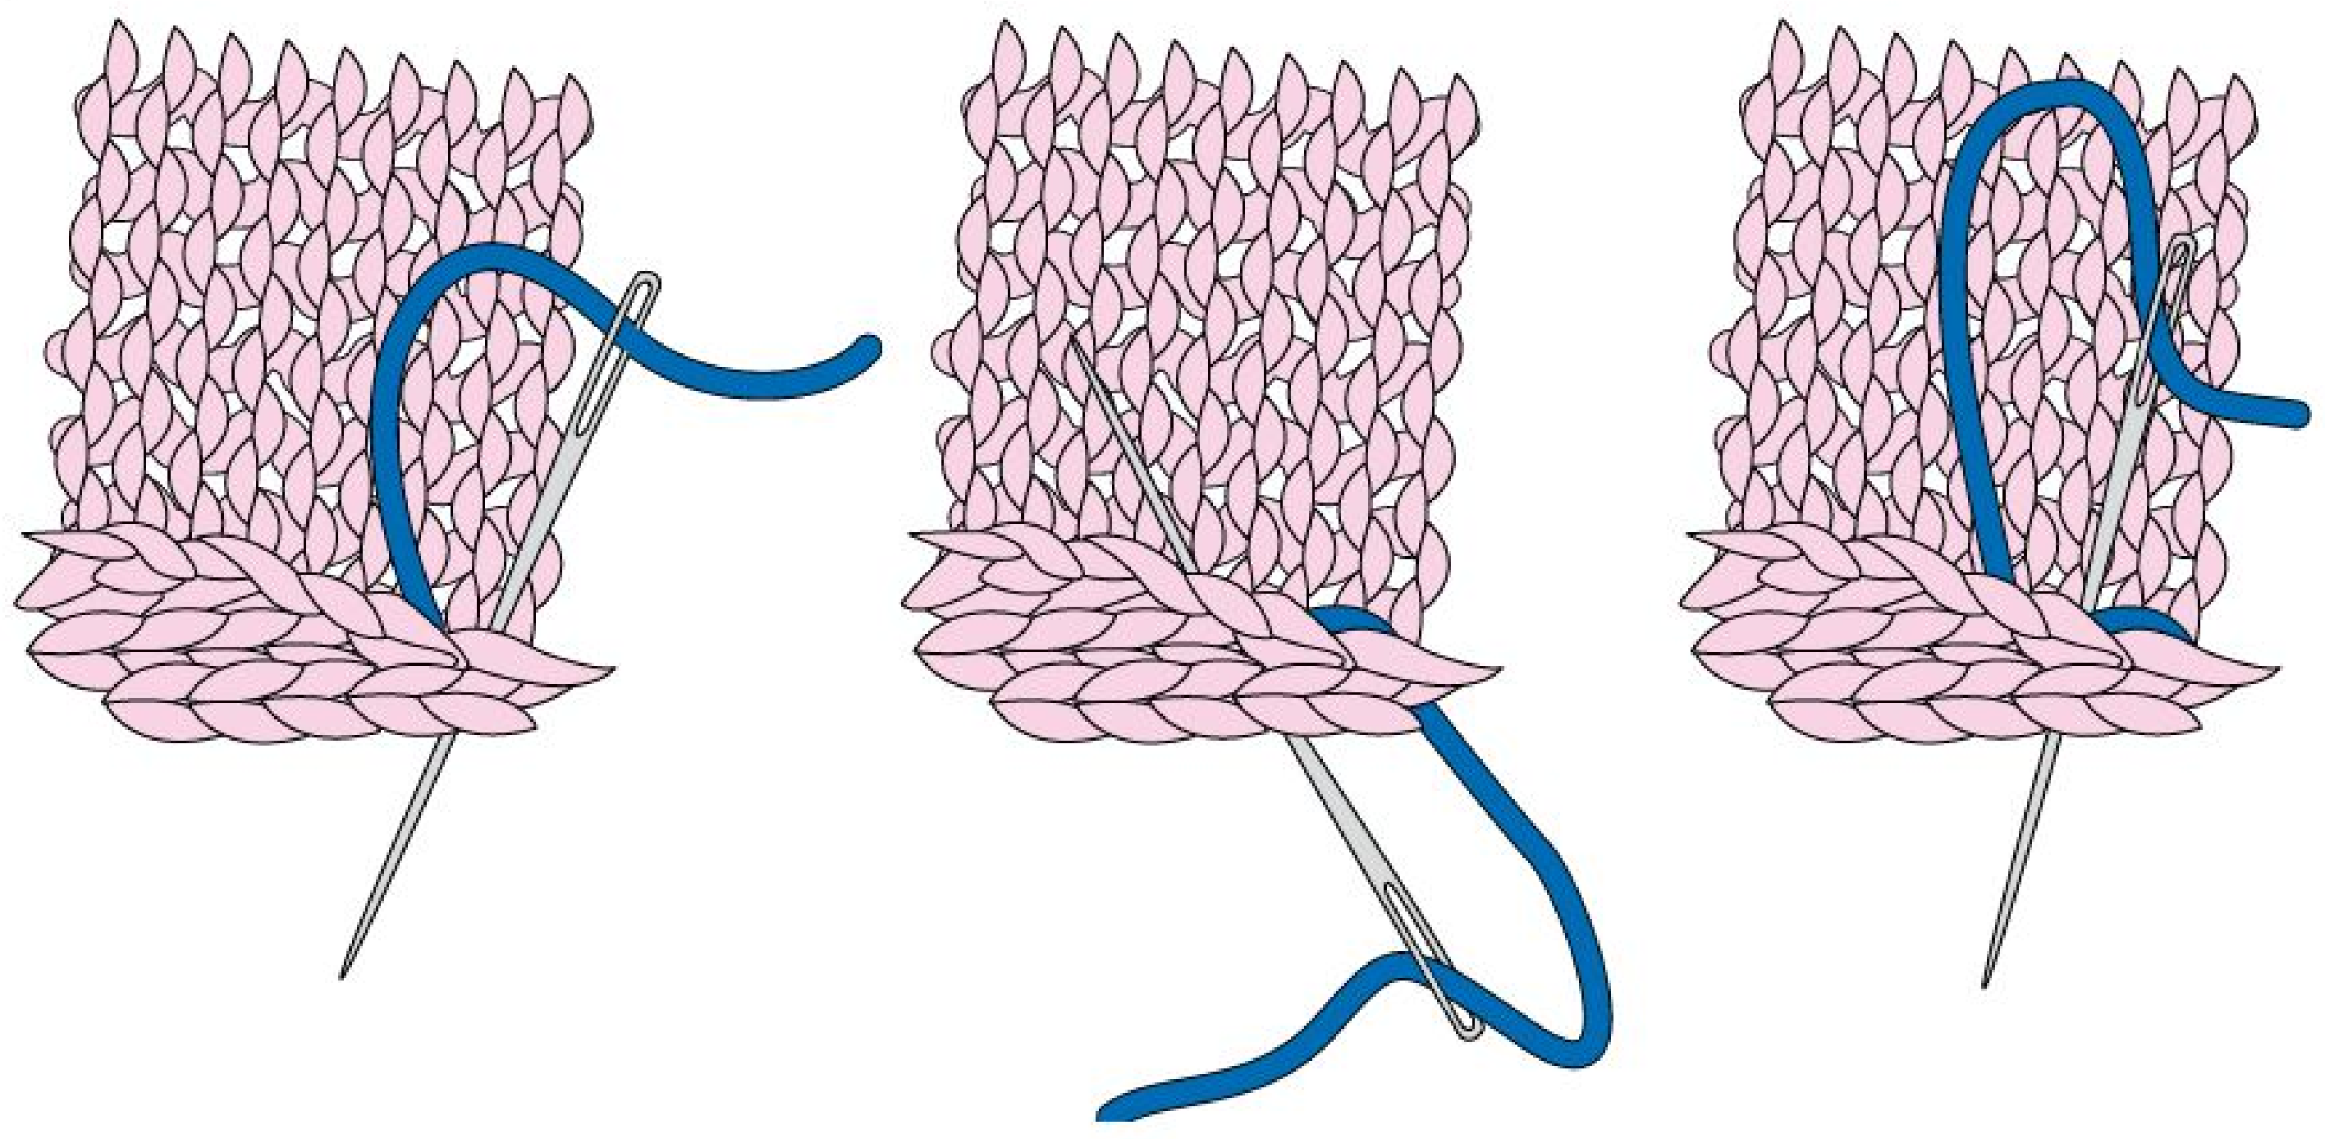


BACKSTITCH

This is the stitch most commonly used for joining knitted garments. With the right sides of your work together, pin the knitted fabric together with the edges even. The seam should be sewn one full stitch from the end of the row. One stitch should be worked over every row. Thread the yarn needle. Insert the needle through both layers and sew two stitches to the left then one stitch back to the right. Keep stitches at an even distance. Continue working from right to left in this circular motion. (Diagram 1)

Diagram 1

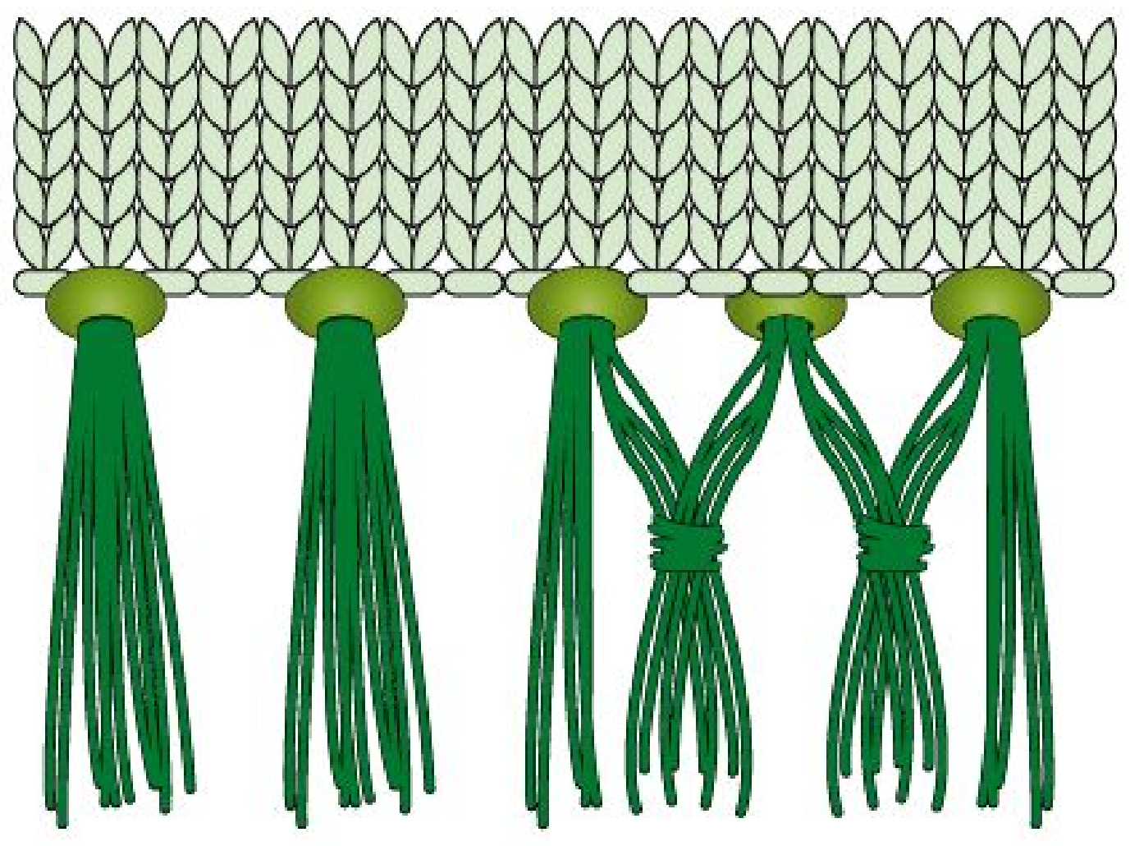


TASSELS

Cut yarn twice the length of your desired tassel plus a bit extra for the knot. According to the desired thickness of the tassel, select a number of lengths of yarn. Fold the lengths of yarn in half over a crochet hook. On the wrong side, insert the crochet hook from the front to the back through the edge of the work. Grab the yarn and pull through and tighten. Trim the ends to the same length.

KNOTTED FRINGE

After working a tassel, take one half of the strands from each tassel and knot them with half the strands from the neighbouring tassel. Trim.



KNITTING ABBREVIATIONS
